Chapter 3 – SCC

PERIOD OF CONTRACT, QUANTUM OF WORK, COMPENSATION FOR FAILURE TO COMMENCE THE WORK AND/OR DELAYED OPERATION ETC.

PERIOD OF CONTRACT

- 5.3.1** The period of contract for the work envisaged under this tender shall be Two years from the date of issuance of Letter of Acceptance. The company may extend the period of contract for a period of one year on the same rate terms & conditions at its sole discretion.
- 5.3.2** The period of contract shall commence from the date issuance of letter of acceptance /Detailed Letter of Acceptance. The Contractor shall commence the work within a period of 15 days from the date of issue of LOA/DLOA; this period shall be termed as Mobilization Period. The work shall be executed strictly as per time schedule by deploying adequate personnel, equipment, tools, tackles etc.
- 5.3.3** However, the company reserves the right of termination of contract at any time without assigning any reason by giving a clear notice of thirty days. Such termination shall not entitle the contractor for any claim whatsoever.

QUANTUM OF WORK

- 5.3.4** Contractor shall execute the work of Repairing and Maintenance of Mine Haulage Road through Diesel Operated 8-10 Tonne Road Roller along with operator and Average fifteen(15) Labours at Jhamarkotra Rock Phosphate Mine as specify in chapter – 2 SCC Scope of work.

FAILURE, COMPENSATION AND PREDETERMINED COMPENSATION

5.3.5 For Delay in commencement:

In case the Contractor fails to commence the work within 15 days from the date of issuance of LOA/DLOA, the company shall recover a pre determined and agreed compensation @ 0.5% of the total contract value on weekly basis from the contractor if the delay is on account of contractor. In the event the compensation exceeds 2% of contract value, then other provisions of tender including termination of contract, forfeiture of EMD, withdrawal of DLOA shall apply at sole discretion of Company .

- 5.3.6** If the contractor is unable to do the job as per the requirement, terms and conditions or fails to complete the contract due to any reason, the company will get the work done, in full or its part thereof, from any other agency at the risk and cost of the contractor. The Contractor and his sureties shall be liable to the company for any excess cost/additional cost occasioned by such work having been so taken over and completed by the Company and/or through any other agency over and above the cost at the rates specified in the schedule of quantities and rates.
- 5.3.7** Besides getting the work done from any other agency as mentioned above, contractor is also liable to pay the predetermined compensation as dealt hereunder.
- 5.3.8** If the contractor fails to-
- A.** Operate road roller for the average working hours of six (6) hours in a day that is to be computed on monthly basis, the Contractor shall be liable to pay predetermined compensation to the company at the rate of Rs. 600/- per hour for such shortfall. Calculation for such shortfall shall be on monthly basis, an example is cited hereunder.

For e.g.

Say there are 25 working days in a month.

Then minimum working hours to be worked by road roller in mine for work, in a month shall be $25 \times 6 = 150$ hours

If the actual working hours of road roller in mine in that month is less than 150 hours and is, say, 130 Hours,

Then compensation will be Rs. $(150-130) \times 600 = 12000/-$.for that month

Contractor shall not be allowed to make good the shortfall of one month in another month.

- B.** Deploy average 15 labours per day, which is to be computed on monthly basis, the Contractor shall be liable to pay predetermined compensation to the company at the rate of Rs. 550/- per man day for such shortfall. Calculation for such shortfall shall be on calculated on monthly basis, an example is cited hereunder.

For e.g.

Say there are 25 working days in a month

then minimum man days to be worked in mine, in that month

shall be $25 \times 15 = 375$ man days/month

If the actual man days provided by the contractor in that month is less than 375 and, say 350 man days in that month

Then compensation will be Rs. $(375-350) \times 550 = 13750/-$.for that month

Contractor shall not be allowed to make good the shortfall of one month in another month

- 5.3.9** Besides, failure of the contractor to work as per scheduled targets will also entitle the Company to get the work done by making alternative arrangements at the cost and expense of the contractor and to recover from it the full difference of cost in making restoration of working up to the quantity of work allotted to the another agency.
- 5.3.10** However, compensation for shortfalls in the contractual targets could be reduced or waived off if adequate justification or grounds exist for such a reduction or waiver based on the written request by the contractor for the same. Further if concerned Engineer In charge clarifies that any such shortfall is due to the reasons beyond the control of contractor, predetermined compensation as above would not be imposed.
- 5.3.11** The compensation, if levied, shall be recovered immediately from the bills of the contractor.
- a) The contractor shall be liable to pay to the RSMML all costs, damage, charges, losses, etc., suffered or incurred or occasioned or sustained by the RSMML or by any other third party due to the negligent act or omission or un-workmen like performance of the contractor or its workmen or due to the breach of any of the terms of the contract or failure to carry out the work in accordance with contract by the contractor or its workmen. The decision of the

RSMML in this respect shall be final and binding on the contractor. The recovery for any amount under this clause may be affected by the RSMML either from the running bills or from the security deposit or set off against any other dues of the contractor, or by reference to an arbitrator, at the discretion of the RSMML.

- b) The contractor shall make such satisfaction and pay compensation as may be assessed by a lawful authority in accordance with the law enforced on the subject for all damages, injury or disturbances which may be done by the contractor and shall indemnify and keep indemnified fully and completely, the RSMML against all claims which may be made by any person or persons in respect of any such damages, injury or disturbances and all cost and expenses in connection therewith.
- c) Any amount due and payable to the contractor, including security deposit refundable to them under the contract, may be appropriated and set off by the RSMML against any claim or dues of the RSMML arisen or arising out of this contract or any other contract against the contractor.

5.3.12 The compensation so paid/and/or adjusted by the company shall not relieve the contractor from his/its obligations to complete the work under the contract or from any other obligations and liabilities under the contract.

RIGHT TO REVIEW PERFORMANCE

5.3.13 The company reserves the right to review and assess the performance of the work at any time during the contract period. In case of poor or unsatisfactory performance and/or breach of any terms and conditions of the contract, the company in its absolute rights and discretion may take appropriate action including termination of the contract.

5.3.14 The company shall have absolute right to determine and ascertain the damages or losses suffered by it due to poor performance or breach of the terms and recover the costs thereof from the contractor from the security deposit or any sum due to the contractor from the company. The Company shall also have absolute right to get the work done from any other agency at the risk and cost of the Contractor, in case, the contractor fails to perform the work continuously for more than 2 days.

Chapter 4 – SCC
Payments to the Contractor

RATE OF REMUNERATION & PRICE VARIATION

- 5.4.1** The Contractor, in lieu of the services rendered for the work under Scope of Work and in view of terms and conditions mentioned herein, shall be entitled to remuneration. Accepted monthly rate shall be considered as the rate for remuneration to the contractor.
- 5.4.2** The price quoted and finally accepted by the company shall be deemed to include and cover all costs, expenses, taxes, duties, levies and liabilities of every description and all risk of every kind to be taken in execution except GST. Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
