3.21 The Company may extend the deadline for submission of Bids by issuing an amendment, in which case all rights and obligations of the Company and of the Tenderers, which were previously subjected to the original deadline, will then be subjected to the new deadline.

LATE BIDS

3.22 No bid will be accepted by the Company after the deadline prescribed in NIT due to any reason whatsoever.

OPENING OF THE TENDER

3.23 The Techno-Commercial Bid of the offer will be opened as per NIT .

3.24 If the date fixed for opening of tenders happens to be a holiday for any reason, the tenders will be opened on the next working day at the same time.

EXCEPTIONS AND DEVIATION

3.25 Tenderers are advised to submit quotations based on the terms and conditions and specifications contained in the tender document and not to stipulate any deviations. Bids containing stipulations of deviation to the terms and conditions are liable to be ignored. In case it is absolutely unavoidable to deviate from tender conditions then the tenderers should mention the deviations at their risk of rejection only in the form 3. Deviations mentioned anywhere else in the bid shall be ignored without any consequences.

BID SECURITY/ EARNEST MONEY DEPOSIT

3.26 The tenderer must pay Earnest Money/Bid Security deposit as per detailed out in NIT (having validity of three month) in the form of crossed demand draft in favour of "RSMML" and drawn on any nationalised/scheduled bank at Udaipur and the same shall be submitted as detailed above in original with technical bid, failing which the bid is liable to be rejected. No interest shall be paid by the company on the earnest money so deposited by the tenderer. The earnest money of the tenders whose bid is not found to be acceptable on the basis of pre-qualifying criteria and/or on evaluation of their techno-commercial bids will be refunded at the earliest. The earnest money of the tenderer who are technically successful but not awarded the work shall be refunded after issuance of LOA to successful tenderer. The earnest money deposited by the successful tenderer will be refunded after submission of SD if it is form of bank guarantee, if SD in form of cash then it will be appropriated towards a part of SD, but shall stand forfeited if the tenderer fails to furnish security deposit and/or fails to commence the work within stipulated period.

3.27 The earnest money of a tenderer shall be forfeited in the following cases:-

- i) If the tenderer withdraws or modifies the offer after submission of the tender within the validity period.
- ii) If the tenderer does not submit the prescribed Bank Guarantee or Demand Draft as security deposit within one month of the date of work order/LOA issued in favour of tenderer.
- iii) If the tenderer does not execute the agreement, in the prescribed form within one month of the date of work order/LOA issued in favour of tenderer.
- iv) If it is established that the tenderer has submitted any wrong information/ forged documents along with the tender or thereafter.

VALIDITY

3.28 Tender submitted by tenderer shall remain valid for acceptance for a period 120 days, from the date of opening of the tender (Part I of the offer). An offer with a validity period of less than 120days is liable to be rejected. The tenderer on its own shall not during the said period of 120days or in extended period cancel and/or withdraw his tender nor shall he make any variation therein. In case of tenderer revoking, cancelling, modifying and/or withdrawing his bid during the validity of bid, the earnest money deposited by him along with tender shall stand forfeited, and tender will not be considered further evaluation.

In exceptional circumstances, prior to expiry of the original time limit, the Company may request the tenderer to extend period of validity for a specified additional period. The request and the tenderer's responses shall be made in writing. A tenderer if agreeing to the request will not be required or permitted to modify his bid.

EVALUTATION OF BIDS AND DETERMINATION OF RESPONSIVENESS

3.29 Prior to the detailed evaluation of Bids, the Company will determine whether each Bid:

- i) Meets the eligibility criteria.
- ii) Has been properly signed;
- iii) Is accompanied by the required securities; and
- iv) Is substantially responsive to the requirements of the Bidding documents.

3.30 A substantially responsive Bid is one, which confirms to all the terms, conditions, and specification of the Biding documents without material deviation or reservations. A material deviation or reservation is one:

- i. Which affects in any substantial way the scope, quality, or performance of the work; and/or
- ii. Which limits in any substantial way, inconsistent with the Bidding documents, the Company's right or the Bidder's obligation under the contract; and/or
- iii. Whose rectification/acceptance would affect unfairly the competitive position of the other Bidders presenting substantially responsive Bids.

EVALUATION OF TECHNO-COMMERCIAL BID

3.31 The techno-commercial bids of substantially responsive tenderer's will be evaluated from all aspects The RSMML reserves the right to assess the capability and competency of the tenderer based upon the information provided by the tenderer in the techno-commercial bid and the information that may other wise be available to and/or gathered by the RSMML. The decision of the RSMML as to which tenderer is capable & competent to carry out the work shall be final. The tenderer should, therefore, see that he has required level of technical, financial & managerial competence & experience before submitting the tender.

3.32 If a Bid is not substantially responsive, the Company at its sole discretion may reject it.

3.33 The tenderer shall be prepared to furnish clarification/information and attend meetings/discussion/ as required by the company from time to time.

The material contaminated with waste shall not be paid for and is liable to be rejected at the cost of the contractor. The contractor shall be required to remove all such material and no payment shall be made for such rejected ore/waste and also for its removal. In case of non recovery of such contaminated ore and loss of grade of such ore the cost for such losses will be recovered from the contractor at the selling price of ore prevailing at that time.
- 5.9.5 The Contractor shall ensure proper unloading, leveling & stacking of transported ore over the specified place at the New & RKC HGO Crushers. As per work requirement the contractor shall have to use suitable equipment to carry out proper stacking at his / their cost.
- 5.9.6 The Contractor has to exercise utmost caution while handling the Beneficiated Rock Phosphate Ore (Concentrate). The B.R.P.(Concentrate) spilled out during the handling will have to be removed by the Contractor at his cost failing which the contractor shall be liable to pay damages at the selling price of ore prevailing at that time. The decision of the RSMML in this respect shall be final and binding on the contractor. The recovery for any amount under this clause may be affected by the RSMML either from the running bills or from the security deposit, at the discretion of the RSMML.

- 5.9.7 The contractor shall have to take effective measures at its own cost & expenses for proper water sprinkling & suppression of dust generated during the process of loading, unloading, transportation etc., in & around the working areas so that the dust concentration in such places do not exceed the limits prescribed under the MMR, 1961 and as per the requirements of Environment and Pollution Board. In case the dust concentration is found to be more than the limits referred to above then the RSMML may make arrangements for water sprinkling & dust suppression at the cost & expenses of the contractor.
- 5.9.8 Departmental mechanized mining operation is likely to be there in the nearby faces, in such circumstances safety of the men and machine of the contractor shall be the responsibility of the contractor.
- 5.9.9 For the purpose of this contract the determination of following parameters as done by the RSMML or its authorized representatives shall be taken & treated as final and shall be binding on the contractor.
- i) Chemical & physical analysis of ores, minerals etc. to determine purities/grade of ore/mineral etc., and also to classify any material.
 - ii) Weight of material dispatched in trucks as determines at RSMML's weighbridge/any other weighbridge notified by the RSMML.
 - iii) Any other parameter whose determination may be required in terms of this contract.
- 5.9.10 Contractor shall unload the BRP at designated place/area only.

SECTION-V-CHAPTER-2
QUANTUM OF WORK, PERIOD OF CONTRACT, TIME SCHEDULE ETC.
AND COMPENSATION FOR DELAYS AND SHORTFALL ETC.

5.10 ESTIMATED QUANTUM OF WORK:

a) The estimated quantum for Shifting of phosphate concentrate (as per scope of work) is 2.75 lac MT per year (wet basis). The quantity mentioned is indicative only. Contractor has to shift the concentrate as directed by the Engineer-in-Charge. The Contractor shall mobilize his resources in such a manner that approximately 22,000 MT (Twenty two Thousand MT) per month of concentrate can be shifted in the designated area around new /old concentrate yard. In addition, for carrying out miscellaneous works by deploying front end loader, the contractor shall have to ensure that deployment of front end loader is minimum 60 hours per month.

b) The approximate quantity of Beneficiated Rock phosphate ore (Concentrate) to be transported by the Contractor from various stacks located in and around IBP to ROM Platforms located around HGO Crusher is 50,000 MT per annum. However this quantity is only indicative and susceptible to variation from time to time as per the requirement so determined by the company as per its absolute discretion.

No guarantee regarding overall, monthly, weekly or daily quantum of work can be given. The Contractor shall neither be entitled nor be eligible to raise any claim on account of their plant/vehicles/equipments /manpower being idle on any day or for any period during the contractual completion period.

The quantity mentioned above may change depending upon the requirement of the company.

5.11 WEIGHMENT OF CONCENTRATE:

a) Weighment of concentrate shall be taken from weightometer which shall be reduced by 5% as moisture loss in transit for payment purpose. Payable quantity shall be 0.95 multiply by weightometer quantity.

In case the weightometer becomes defective, payment shall be made on the basis of reconciled production figure (wet basis) with reduction of 5% on account of moisture loss.

When the successful bidder will start the actual work of shifting of concentrate, the left out concentrate (or accumulated concentrate) on that day, which is to be shifted, will be surveyed in presence of representative of the successful bidder and the existing contractor. The volumetric quantity so obtained shall be multiplied by the standard bulk density of the phosphate concentrate for knowing the actual mass of the concentrate for the purpose of the payment for the accumulated material to be shifted.

b) For transportation of BRP from IBP to HGO crushing plants, the weighment shall be done at company's weighbridge(s).

5.12 CONTRACT PERIOD:

- i. The contract shall be for a period of two (2) years from the date of issue of LOA/DLOA. The company may extend the period of contract for a period of one year on the same rate terms & conditions at its sole discretion.
- ii. The successful bidder / contractor will mobilize his / their resources for commencement of the work within a period of 15 days from the date of issue of LOA/DLOA. The contractor shall complete the entire work of the tender to the entire satisfaction of the company in conformity with all the terms and conditions of the

contract and instruction/s of the Engineer-In-Charge may from time to time give to the contractor.

- iii. However, the company reserves the right of termination of contract at any time without assigning any reason by giving a clear notice of thirty days. Such termination shall not entitle the contractor for any claim whatsoever.

5.13 EXTENSION OF SCHEDULED COMPLETION TIME

- i) If the contractor shall desire an extension of time for completion of work on the grounds of his having been unavoidably hindered for reasons beyond his control in execution of work, he shall apply in writing to the Company within ten days of the date of such event, and the Company shall, if in its opinion (which shall be final and binding on the Contractor) reasonable grounds exist, authorize such extension of time as may in his opinion be necessary or proper. Whenever such extension is granted by the Company, this would be without prejudice to the Company's right to take appropriate action under this contract and without any additional financial liability on the company.
- ii) Failure or delay by the Company to hand over to the Contractor possession of the working areas necessary for the execution of the works, or to provide the necessary instructions, or any other delay by the Company due to any other cause, whatsoever shall in no way affect or vitiate the contract or alter the character thereof or entitle the Contractor to damages or compensation thereof, provided, however, that the Company without any financial liability may extend the time for completion of the work by such period as it may consider necessary or proper.
- iii) The decision of the company as to the need for grant of extension of time to the Contractor shall be final.

5.14 WORKING HOURS:

The work of shifting of concentrate & transportation of BRP to HGO crushing plants shall be carried out during such hours as may be directed by the company.

5.15 COMPENSATION FOR FAILURE TO COMMENCE AND/OR SHORTFALL

- i. In case the Contractor fails to mobilize and commence the work within stipulated/extended period, the company shall recover a predetermined and agreed compensation @ 0.5% of the annual contract value on fort nightly basis from the contractor. Mobilization shall mean deployment of equipment and commencement of work. In case the compensation amount exceeds beyond 02% then other provision of tender document including forfeiture of EMD, termination of contract may be taken at company's sole discretion.
- ii. In case the contractor fails to handle the targeted quantity annually and the delay is solely on account of Contractor's lapse or his responsibilities, then the contractor shall be liable to pay a predetermined and agreed compensation @ 10% of the remuneration payable or Rs. Two per MT, (whichever is higher) for unexecuted targeted annual quantity to the company.
- iii. Further in case of failure of deploying front end loader for 180 hours during a quarter (considering 60hours per month) compensation @Rs. 1200/- per hour of non-deployment shall be payable to company.
- iv. The said amount of Compensation shall be payable by the contractor to the company forthwith on first demand without any demur or protest and without there being any proof of the actual loss or damages caused such delay/breach. The company at its sole discretion shall be justified to adjust such damages against the security and/or running and/or final account bills or any sum due or will become due with the company on

account of any work of the Contractor and the Contractor shall be bound by such decision of the Company. The above recoveries will be without prejudice to the other right and remedies available in the contract.

- v. Over and above the Compensation on shortfall in execution of work, the company may at its sole discretion get the balance quantity of overall unexecuted work executed from any other agency at the risk and cost of the contractor and in that event, the company shall be entitled to recover from it the full difference of cost of making such alternative arrangements and/or forfeit the whole or such portion of the security deposit as it may consider fit.
- vi. The compensation so paid/and/or adjusted by the company, shall not relieve the contractor from his/its obligations to complete the work under the contract or from any other obligations and liabilities under the contract.
- vii. If annual scheduled quantity is not achieved by the contractor due to any reason beyond the control of the contractor, the annual schedule may be modified and/or completion time may be extended by the "Company". Compensation for shortfall will be recovered based on such revised target. Decision of the company, whether a particular reason for failure to achieve the target is beyond the control of contractor, shall be final and binding on the contractor.

For Transportation of BRP Work

- viii. Any quantity executed in excess of the cumulative annual target during any of the reviewed period of one year may be adjusted in the shortfall of subsequent yearly schedule. The contractor shall also complete the shortfall of previous year schedule, if any, in the following year.
- ix. If annual-scheduled quantity is not achieved by the contractor due to any reason beyond the control of the contractor, the annual scheduled may be modified. Compensation for shortfall will be recovered based on such revised target. In addition compensation for shortfalls in the contractual targets could be reduced or waived off if adequate justification or grounds exist for such a reduction or waiver based on the written request by the contractor for the same. Decision of the company, whether a particular reason for failure to achieve the target is beyond the control of contractor, shall be final and binding on the contractor.
- x. Further if the contractor fails to transport cumulative total quantities as per the scheduled targets, as intimated to them from time to time, for the entire contract period, the Contractor shall be liable to pay compensation to the company at the rate of 2% of the total value of the contract in addition to the compensation on yearly shortfall as above. For determining the compensation, the total value of contract shall be ascertained based on the RATE as offered and finally accepted multiplied by the TOTAL QUANTITY for the entire contract.

5.16 RIGHT TO REVIEW PERFORMANCE

The company reserves the right to review and assess the performance of the work at any time during the contract period. In case of poor or unsatisfactory performance and/or breach of any terms and conditions of the contract, the company in its absolute rights and discretion may take appropriate action including termination of the contract.

The company shall have absolute right to determine and ascertain the damages or losses suffered by it due to poor performance or breach of the terms and recover the costs thereof from the contractor from the security deposit or any sum due to the contractor from the company. The Company shall also have absolute right to get the work done from any other agency at the risk and cost of the Contractor, in case, the contractor fails to perform the work continuously for more than 3 days.

5.17 RISK & COST

- i.) In case of failure to execute the work for a continuous period of three days due to breakdown of machine or any other reason for which the contractor is responsible and/or in cases of frequent breakdowns of machine resulting in loss of production, the EIC / OIC in its sole discretion without prejudice to other remedies may terminate the contract & shall be empowered to engage other outside agency, at the risk and cost of the contractor for execution of remaining part of work of the contract. \
- ii.) In case at any time the performance of the contractor as a whole or in part is not found satisfactory, then the company will issue notice, giving three days to improve the same. If the contractor fails to improve its performance within this period of three days, then the company may get that part/the entire work done by the other agency at the risk & cost of the contractor without any further notice.
- iii.) The Company shall have full right to forfeit the whole security deposit and payment of other pending bills payable to the contractor for non fulfilment of the contractual obligations with regard to the production/excavation (work) of specified quantity within the scheduled/specified time period. The work can be completed by engaging third party at the risk and cost of the contractor.

SECTION-V
CHAPTER-3
PAYMENTS TO THE CONTRACTOR & CERTIFICATES

5.18 CONTRACTOR'S REMUNERATION:

- i.) The work to be done and for the performance of all the obligations under taken by the contractor under the contract documents shall be ascertained by the application of the applicable contract rates and payments to be made accordingly for the work actually executed and approved by the Engineer-In-Charge. The sum as ascertained shall constitute the admissible remuneration of the Contractor under the contract. The Contractor shall not be entitled for any other payments, except as provided in the contract.
- ii.) The rates quoted by the contractor shall remain firm till the issue of final certificate and shall not be subject to escalation, except as mentioned in this tender document. Rates shall be deemed to include and cover all costs, expenses and liabilities of every description and all risk of every kind to be taken in executing, completing and handing over the work to the Company by the Contractor. The Contractor shall be deemed to have known the nature, scope, magnitude and the extent of the works and materials required though the contract documents may not fully and precisely provide those. The opinion of the Engineer-In-Charge as to the items of work which are necessary and reasonable for completion of work shall be final and binding on the Contractor, although the same may not be shown on or described specifically in contract documents.
- iii.) Without in any way limiting the provisions of the proceeding sub-clause, the schedule of rates shall be deemed to include and cover the cost of all equipment, temporary works, pumps, materials, labour, insurance, fuel, stores and appliances to be supplied/deployed by the Contractor and all other matters in connection with each item in the schedule of quantities and the execution of the work or any portion thereof finished/completed in every respect and maintained as shown or described in the contract documents.
- iv.) The schedule of rate/agreed rates or contract rate or rate of remuneration shall include and cover the cost of all inputs for the works or otherwise incorporated in or used in connection with the works, also all rents and other payments in connection with obtaining diesel, lubricants, materials of whatsoever kind for the works and shall include an indemnity to the Company which the Contractor hereby gives against all actions, proceedings, claims, damages, costs and expenses arising from the incorporation in or use on the works of any such articles/processes or materials, other municipal or local board charges, fees, cess, if levied on materials, equipment or machinery to be brought to site for use on work, shall borne by the Contractor.
- v.) All customs duties, excise duties, sales tax or any port duties, special Road Tax, Road tax, transport charges, stamp duties or Central or State Government or local body or Municipal taxes or duties, cess taxes or charges (from or any other body) including other Tax, whatsoever as applicable up-to the last date of submission of offer, shall be deemed to be included in and covered by the contract rate or schedule of rate by the contractor. The contractor shall also

obtain and pay for all permits or other privileges necessary to complete the work.

- vi.) The schedule of rates or contract rate shall be deemed to include and cover the risk of all possibilities of delay and interference with the Contractor's conduct of work which occur from any cause including orders of the Company in the exercise of his/its powers and on account of extension of time granted due to various reasons and for all other possible or probable cause of delay/s in execution of this work by the Contractor. The Contractor shall not be entitled to raise any claim and/or dispute on account of any rise in the price of oils, lubricants, tyres, tubes, spares, statutory or otherwise on any other ground or reason or accounts whatsoever.

5.19 PROCEDURE FOR MEASUREMENT/BILLING OF WORK-IN-PROGRESS

All measurements shall be monthly and in metric system on the basis as described in the tender document.

5.20 BASIS OF PAYMENT:

The basis of payment shall be the quantity of concentrate shifted as measured by weighment of concentrate at weightometer on monthly basis, which shall be reduced by 5% as moisture loss in transit for payment purpose.

For transportation of BRP work, the assessment of quantity for payment shall be made for New & RKC crushing plants on the basis of weighment at company's weighbridge/s. Weighment of Beneficiated Rock Phosphate (Concentrate) ore will be done at the Company's Weighbridge/s before unloading the material at the New & RKC HGO Crushing Plant/s or any other place as provided in the Scope of Work and payment will be made to the Contractor on the basis of the weight so recorded.

5.21 TERMS OF PAYMENT (BILLING):

- A.) For obtaining running account payment the contractor will submit a bill in approved proforma in triplicate to the Engineer-In-Charge of the work/s giving abstract and detailed weighment of concentrate being shifted & transported to HGO crushing plants and any other items executed during a month (calendar) before the expiry of the first week of the succeeding calendar month along-with following details.
- i.) Abstract and detailed measurements (if required) for the various items executed during a month.
 - ii.) Rate(s) of diesel prevalent during that month.
 - iii.) Copy of wage payment sheet of the previous months to the employees actually employed by the contractor at Mines.
 - iv.) Documentary evidence of the PF amount deducted from the monthly salary of the employees of the contractor actually employed at Mines for execution of the contract and submission of this amount along with contractors contribution to the PF commissioner, for the previous month.
 - v.) Scheduled target is to be accompanied with each bill.
 - vi.) The bill showing GST separately.
- B.) The Engineer-in-Charge shall take or cause to be taken the requisite weighment for the purpose of having the same verified, and the admissible portion of the bill of the contractor as far as possible, shall be paid after making necessary deductions or adjustment/s, if any, on or before the expiry of 15 days from presentation of the bill. However no interest shall be paid on this amount.

Note: No payment shall be made for any other ancillary work i.e. for the work not mentioned in the proforma of the price bid.

5.22 RATES:

The agreed rates shall be on the 'firm price' basis during pendency of the contract and the Contractor shall not be eligible for any escalation, except as mentioned in this tender document.

5.23 ESCALATION/DE-ESCALATION

5.24.1 On account of Price Variation in retail price of Diesel, the contract rate would be subject to escalation/de-escalation as per diesel price variation. For payment of diesel escalation/de-escalation, the base date for price of diesel shall be considered as mentioned in the tender document.

5.24.2 The diesel escalation/de-escalation on account of variation in diesel price at retail outlet of IOCL may be considered. Since the price of diesel changes on daily basis at Udaipur the diesel rate prevailing on the 15th of every month shall be considered for computation of escalation/de-escalation. The diesel consumption norm of 0.25 litre per MT for shifting of concentrate work & 0.10 litre per MT for transportation of BRP to HGO crushing plants as specified in scope of work, shall be treated for consumption for diesel escalation/de-escalation. The retail price of diesel of IOCL for Udaipur city @ Rs. 68.11/- **per liter** as on date of publication of NIT i.e. 06.06.2019 will be considered as base price for this purpose. In case of increase/ decrease in prices of diesel with reference to the base price, the diesel escalation/de-escalation shall be considered on above mentioned diesel consumption norm.

5.24 OTHER ESCALATION

Apart from above & variation in taxes & duties no other escalation shall be payable to the Contractor during the currency of the contract.

5.25 RUNNING ACCOUNT PAYMENTS TO BE REGARDED AS AN ADVANCE:

All running account payment (progressive payment) shall be regarded as payments by way of advance against the final payment only and not as payments for work/s actually done and completed, and shall preclude the requiring of bad, unsound, defective, unscientific, imperfect or unskilled work to be removed and taken away and reconstructed, re-erected or be considered as an admission of the due performance of the contract, or any part thereof, in this respect, or of the accruing of any claim by the Contractor, nor shall it conclude, determine or affect in any way the rights/powers of the Company unless these conditions or any of them as to the final settlement and adjustments of the accounts or otherwise. The final bill shall be submitted by the contractor within (60+15=75) **days** from the date of his request for the Completion Certificate of the work, otherwise the Engineer-In-Charge's certificate of the weighment and of total amount payable for the work accordingly shall be final and binding on the Contractor.

5.26 PAYMENT OF CONTRACTOR'S BILL:

Unless otherwise specifically provided, running account payment (progressive payment) will be made to the contractor by the Company keeping in view the quantum of work done and measured, approved and certified as aforesaid. The Company will deduct from all such payments statutory deductions and all dues to the Company from the Contractor including advances paid to the Contractor. The Contractor, on submitting the bill for the work done, is entitled to receive a monthly payment subject to approval and passing of the same by the Engineer-in-Charge. This payment will be made after making necessary deductions as stipulated elsewhere in the contract document for

stores, explosives, diesel, materials, excess consumption of electrical power(in specific case only) security deposit etc. The Company shall make payment due to the Contractor by crossed Account Payee cheques/RTGS. In no case will the Company be responsible if the cheque is misplaced or misappropriated by unauthorized person/s. In all cases, the Contractor shall present his bill duly pre-receipted on proper revenue stamp.

5.27 **RECEIPT OF PAYMENT:**

Receipt for payment made must be signed by a person duly authorized holding power of attorney in this respect on behalf of the Contractor. A person so authorized in exclusive employment of the contractor and he will not work or engage himself in any other profession for gain or profit other than the contractor's employment. When the contractors are described in their tender as a limited company, in that case the receipts must be signed in the name of the company by one of its principal officers or by some other persons having authorized to give effectual receipt for the Company.

5.28 **WAGES:**

The Contractor shall furnish copies of wage payments to the Engineer-in-charge on or before 15th of each month in respect of the preceding month and maintain proper records thereof for the aforesaid purpose to the satisfaction of the Engineer-in-charge.

5.29 **WITHHOLDING PAYMENTS TO CONTRACTOR AND COMPANY'S LIEN ON MONEYS DUE TO THE CONTRACTOR.**

5.30.1 Progressive payments at any time may be withheld or reduced if, in the opinion of the Company the Contractor is not diligently and efficiently endeavoring to comply with the terms of the contract or if the Contractor fails to pay his labour, for material and other bills as they become due. The Company shall in no way be responsible for such withholding of payments.

5.30.2 The Company shall have lien on all amounts that may become due and payable to the Contractor under this or any other contract or transaction of any nature whatsoever between the Company and the Contractor and the security deposit, bank guarantee etc furnished by him under the contract for or in respect of any debit or sum that may become due and payable to the Company by the contractor either alone or jointly with any other or others either under this or any other contract or transaction of any nature whatsoever between the Company and the Contractor, unless the Contractor pays and clears the claim in full immediately on demand in cash to the Company.

5.30 **CLOSING OF THE CONTRACT**

Within (60+10=70 days) of the completion of the work in all respects, as defined in the contract document, the Contractor shall be required to obtain from the Engineer-In-charge completion certificates as to the completion of work and clearing of the areas where he has worked if necessary.

5.31 **APPLICATION FOR COMPLETION CERTIFICATE:**

- i.) When the Contractor fulfils all his/its obligations under the contract to the satisfaction of Engineer-In-Charge and subject to terms & conditions of the contract, he/it shall be eligible to apply for completion certificate. The application along with following documents and any other document/information etc. as required by the Engineer-in-Charge for his satisfaction, are required to be submitted to the Engineer-In-Charge
 - a) Details of Month wise quantum of work completed by the contractor

- b) Weighment statements from the concerned deptt of company. (in case the payment is on Weighment basis).
 - c) A certificate to the effect that no outstanding claims/payments are due to the persons employed by the Contractor or his Subcontractor.
 - d) Details of PF deposited by the contractor.
 - e) No claim certificate by the contractor, in favour of company that No claim has been due towards the company and he will not claim any dues after the closure of the contract.
 - f) Indemnification Bond on Rs. 100/- Non Judicial stamp paper.
- ii.) The Engineer-In-Charge shall formally issue completion certificate within **60 days** on receiving application from the Contractor, after verifying from the completion documents including weighment record etc and satisfying himself that the work has been completed in accordance with all the provisions of this contract and instructions issued to the Contractor by the Company.
- iii.) The contractor, after obtaining the completion certificate, is eligible to present the final bill for the works executed by him/it under the contract. The final bill shall be submitted by the Contractor within **15 days** from the date of issue of completion certificate, otherwise the Engineer-In-Charge's certificate of the weighment and of total amount payable for the work accordingly shall be final and binding on the contractor.

5.32 FINAL CERTIFICATE:

Upon expiry of the period of liability and subject to the Engineer-in-charge being satisfied with the work or works having been duly performed by the Contractor and the Contractor having fulfilled all his obligations under the contract, the Group General Manager (SBU Head) shall give a certificate hereinafter referred to as the '**Final Certificate**' and the contractor shall not be considered to have fulfilled all of his/its obligations under the contract until Final Certificate shall have been given by the Group General Manager.

5.33 FINAL PAYMENT AND RELEASE:

- 5.34.1 On completion of the work and issuance of completion certificate, the Contractor shall submit his/its final bill indicating the gross and net amount payable. On receipt of this, the Company shall verify the same, determining the total value of the work done of the contract and after deducing all the sums already paid to him/it and/due to the company on any account and such further sums as the Company on any account and such further sums as the Company is already authorised or required to reserve or retain on the terms of the contract or otherwise, make over to the contract as his final payment subject to the Contractor furnishing a certificate to the effect that he has no further claim of whatsoever nature or description on the Company.

Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
