8. **Bid Form**

The Bidder shall complete the Bid Form except the Price Schedule furnished in the Bidding Document along with the enclosures specified in **Clause 7.2.1 of ITB** and enclose the same in the cover containing the "Techno-Commercial Bid" - (Cover A) and properly sealed.

9. **Bid Prices**

- 9.1 The Bidder shall indicate in the Price Schedule the unit prices (where applicable) and total bid price of the services it proposes to provide under the contract and include it in the cover containing the "Price Bid" - (Cover B) and properly sealed.
- 9.2 The bidder shall quote his prices only in Price Schedule furnished in the bidding document and enclose it in the Price Bid. The bidder should not indicate the prices anywhere directly or indirectly in the "Techno Commercial Bid". Any such

offer or indication shall disqualify the bidder. Similarly, the Price Bid should not contain any conditions. Conditional tenders are liable for summary rejections.

- 9.3 Special care shall be taken to write the rates in figures as well as in words in the price schedule such a way that no interpolation is possible. In case of figures words "Rupees" should be written before and words, "Paise" after decimal figures.
- 9.4 Any interlineations, erasures, or overwriting shall be valid only if they are initialed by the person or persons signing the bid.

10. **Bid Currencies**

Prices shall be quoted in Indian Rupees only.

11. **Documents Establishing Bidder's Eligibility and Qualifications**

Pursuant to **ITB Clause 7**, the Bidder shall furnish, as part of its bid, documents establishing the Bidder's eligibility to bid and its qualifications as per NIT to perform the contract if its bid is accepted.

12. **Earnest Money Deposit (EMD)**

- 12.1. Pursuant to ITB Clause 7, the Bidder shall furnish, the Earnest Money Deposit by the way of **Demand Draft/ Bank Guarantee/ NEFT/ RTGS** for an amount of **Rs. 51,000/-**(Rupees Fifty one Thousand only). Bank Guarantee/ Demand Draft shall be drawn in favour of Dredging Corporation of India Limited payable at Visakhapatnam from any Scheduled or Nationalized Indian Bank or unconditional, irrevocable Bank Guarantee drawn from any Scheduled or Nationalized Indian Bank. The same should be attached with the tender and placed in "Cover-A". The Earnest Money Deposit shall not carry any interest
- 12.2. The Earnest money is required to protect the DCI against the risk of Bidder's conduct, which would warrant the earnest money forfeiture, pursuant to **ITB Clause 12.6**.
- 12.3. The earnest money deposit submitted in the form of a Demand Draft or a bank guarantee issued shall be valid for sixty (60) days beyond the validity of the bid.
- 12.4. Any bid not secured in accordance **with ITB Clauses 12.1 and 12.3** will be rejected by the DCI as non-responsive, pursuant to **ITB Clause 21**.
- 12.5. Unsuccessful bidders' earnest money deposit will be discharged or returned as promptly as possible, but not later than sixty (60) days after the expiration of

the period of bid validity prescribed by the DCI pursuant to **ITB Clause 13** without interest.

12.6. The earnest money deposit may be forfeited:

(a) If a Bidder:

(i) Withdraws its bid during the period of bid validity specified by the Bidder in the Bid Form, or

(ii) Does not accept the correction of errors pursuant to **ITB Clause 21.2**;
or

(b) In case of a successful Bidder, if the Bidder fails:

(i) To execute the contract agreement in accordance with **ITB Clause 29**;
or

(ii) To furnish Performance Guarantee in accordance with **ITB Clause 30**.

13. **Period of Validity of Bids**

13.1 The Tenderer should keep open the validity of the Bid for 120 days from the date fixed for its opening or from the date of its opening whichever is later. It is also obligatory for the Tenderer to keep the validity open for another 30 days in case a request in writing or by Email/phone/ letter/Fax by DCI is made before the expiry of the initial validity period of 120 days stated above. The date of receipt of the request from DCI should be acknowledged. Should any Tenderer withdraw his tender before validity period, EMD submitted by the Tenderer shall be forfeited automatically without prejudice to the other rights of DCI.

13.2 In case DCI asks for extension in validity of bid, the earnest money deposit provided under **ITB Clause 12** shall also be suitably extended.

14.0 **Site Visit**

The Tenderer shall carefully examine the Conditions of Contract, Scope of Work, Instructions to Tenderer, the Specifications etc. He shall visit and inspect the site on his own responsibility and cost and thoroughly acquaint himself with all local, working and environmental conditions, approach to site, for the purpose of to take up the entire requirement of scope of work and accordingly contractor has to adopt suitable equipment and methodology and accordingly shall quote the Tender. All costs, charges and expenses that may be incurred by the Tenderer in connection with such visit and inspection and for the submission of Tender shall be borne by him and the corporation accepts no liability what so

ever therefore. Further advised tenderer may attend to the pre bid meeting after site visit.

Official to be contacted from RSMML for site visit is:

D. Submission of Bids

15. Sealing and Marking of Bids

- 15.1 The Techno- Commercial Bid along with all enclosures to be put in a sealed cover super scribed with the words - Cover-A "Techno-Commercial Bid" for the work "*Conducting hydrographic surveys & Sub Bottom Profiler surveys in Bisalpur Dam reservoir and its approaches, Tonk (dt), Rajasthan, in connection with de-silting operations of the Reservoir*". and shall be submitted on or before 1500 hrs on 28-08-2018.
- 15.2 The Price Bid (Cover B) containing only tendered amount is required to be put in another sealed cover superscribed with the words – Cover-B "Price Bid" for the work "*Conducting hydrographic surveys & Sub Bottom Profiler surveys in Bisalpur Dam reservoir and its approaches, Tonk (dt), Rajasthan, in connection with de-silting operations of the Reservoir*" and shall be submitted on or before 1500 hrs on 28-08-2018.
- 15.3 Tenderer should ensure that his tendered amount as per Cover-B is not mentioned in any other document directly or indirectly. **The duly sealed covers A & B are to be put again in an another separate main sealed cover super scribed with the words** "Techno- Commercial bid for "*Conducting hydrographic surveys & Sub Bottom Profiler surveys in Bisalpur Dam reservoir and its approaches, Tonk (dt), Rajasthan, in connection with de-silting operations of the Reservoir*" to be submitted to the Head of the Department(Marketing), Marketing Department, Dredging Corporation of India Limited, 'Dredge House', Port Area, Visakhapatnam-53 0001 on or before 1500 Hrs 28-08-2018.

15.4 If the outer cover is not sealed and marked as required by **ITB Clause 15.3**, the DCI will assume no responsibility for the bid's misplacement or premature opening.

16 Deadline for Submission of Bids

16.1 Bids must be received by the DCI at the address specified under Invitation of Bids (**ITB**) **Cl.no.15.3**, not later than the time and date specified therein.

In the event of specified date for the submission of bids, being declared a holiday for the DCI, the bids will be received up to the specified time on the next working day.

16.2 The DCI may, at its discretion, extend this deadline for the submission of bids by amending the bidding documents in accordance with **ITB Clause 5**, in which case all rights and obligations of the DCI and bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

17. Late Bids:

Any bid received by DCI after the deadline for submission of bids prescribed by the DCI pursuant to **ITB Clause 16** due to reason as **mentioned in 16.1** will be rejected and returned unopened to the Bidder.

18. Modification of Bids

The Bidder cannot modify or withdraw its bid after the bid's submission.

E. Opening and Evaluation of Bids

19. Opening of Bids by DCI

19.1 The Engineer/DCI will open all the outer covers containing both sealed Covers A and B of the bids and the Cover A Techno-Commercial Bids only in the presence of bidders' authorized representatives who wish to attend, at the time, on the date, and at the place specified in the Invitation for Bids. The bidders' representatives who are present shall sign on a Tender opening register, evidencing their attendance.

19.2 All the Covers "B" containing the Price Bids will be placed in a separate Cover and sealed and kept under safe custody.

19.3 The bidders' names, bid modifications or withdrawals and the presence or absence of requisite earnest money deposit and such other details as the Engineer/DCI, at its discretion, may consider appropriate, will be announced at the opening of the "Techno-Commercial Bid". No bid shall be rejected at bid

opening, except for late bids, which shall be returned unopened to the Bidder pursuant to **ITB Clause 17**.

20. Clarification of Bids

20.1 During technical evaluation of the bids, the DCI may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted.

21. Preliminary Examination

21.1 The DCI will examine the Techno-Commercial Bids to determine whether they are complete in all respects, whether document fee is submitted, whether required earnest money deposit have been furnished, whether the documents have been properly signed, and whether the bids are generally in order, in line with the pre-qualification criteria given in NIT.

21.2 The DCI may waive any minor informality, non-conformity, or irregularity in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.

21.3 Prior to the detailed evaluation, pursuant to **ITB Clause 22**, the DCI will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these Clauses, a substantially responsive bid is one, which conforms to all the terms and conditions of the bidding documents without material deviations. Deviations from, or objections or reservations to critical provisions, such as those concerning Earnest Money Deposit (ITB Clause 12), **Applicable Law (GCC Clause 22)**, and **Taxes and Duties (GCC Clause 24)**, **Performance Security (GCC Clause 5)**, and **Force Majeure (GCC Clause 16)** will be deemed to be a material deviation. The DCI's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence and shall be final and binding on the Bidder.

21.4 If a bid is not substantially responsive, it will be rejected by the DCI and may not subsequently be made responsive by the Bidder by correction of the nonconformity.

22. Evaluation and Comparison of Bids

22.1 The Cover B containing the Price Bids will be opened of only those tenderers who have been qualified in the Techno-Commercial Bid at a later date. The date and time of opening of Cover B - Price Bid shall be notified to all the technically qualified bidders and will be opened in the presence of such authorized persons or representatives who wish to be present.

22.2 Arithmetical errors will be rectified on the following basis:

If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail. If the Contractor does not accept the correction of the errors, its bid will be rejected, and its bid security may be forfeited. The decision of the Head of Department (Marketing) DCI, Visakhapatnam will be final.

23. Contacting the Dredging Corporation of India Ltd. (DCI)

23.1 From the time of Bid opening to the time of Contract award, if any Bidder wishes to contact DCI on any matter related to the Bid, it should do so in writing.

23.2 Any effort by a Bidder to influence the DCI in its decisions on bid evaluation, bid comparison, or contract award may result in the rejection of the Bidder's bid.

F. Award of Contract

24. Post –qualification:

24.1 In the absence of pre-qualification, the DCI will determine to its satisfaction whether the Bidder is qualified to perform the contract satisfactorily, in accordance with the criteria listed in the Bidding Document from the evaluation of the Techno-Commercial Bid.

24.2 The determination will take into account the Bidder's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, as well as such other information as the DCI deems necessary and appropriate.

25. Award Criteria:

Subject to **ITB Clause 28**, the DCI will award the contract to the successful Bidder whose bid has been determined to be the lowest evaluated bid. However, DCI reserves the right to accept or reject any bid as specified in Clause 27 of ITB

26. Right to Vary Period of Contract at Time of Award:

26.1 The contract period is for 74 days including mobilization period of 14 days. Contractor has to complete entire hydrographic surveys and subbottom profiler studies within the time stipulated. Mobilizing suitable survey equipment to carryout hydrographic studies, sub bottom profiler studies for entire scope of

work of three river stretches and also in the reservoir area as per scope of work defined in BOQ with charts/reports etc., Engineer/DCI reserves right regarding increase or decrease the scope of work as per site requirement and DCI's decision in this regard is final, binding on the Contractor and will not subject to the Arbitration.

26.2 In case of curtailment of the contract period at any stage, the tenderer shall be informed of the same in advance by serving a 2 days' notice of termination. In this case the tenderer shall not have any additional claim whatsoever.

26.3 During the contract period and extended period, Contract shall be terminated by giving 2 days notice by the Engineer/DCI, if the services of the tenderer are found to be inadequate or unsatisfactory or in violation of the terms/ conditions of the contract, without prejudice to its rights and remedies.

27. Right to Accept Any Bid and to Reject Any or All Bids:

The DCI reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without assigning any reason thereby incurring any liability to the affected Bidder or Bidders.

28. Notification of Award:

28.1 Prior to the expiration of the period of bid validity, DCI will notify the successful Bidder in writing by registered letter or email, to be confirmed in writing by registered letter, that its bid has been accepted.

28.2 The notification of award will constitute the formation of the Contract.

28.3 Contractor has to sign a duplicate of work order and send back to DCI, HO, Visakhapatnam as a sign of acceptance of work.

29. Signing of Contract:

At the same time as the DCI notifies the successful Bidder that its bid has been accepted, Bidder has to execute Contract Agreement with DCI at his cost.

30. Performance Guarantee:

Within Ten (10) days of the receipt of notification of award from the DCI, the successful Bidder shall furnish the Performance Guarantee in accordance with the Conditions of Contract in Form V, in the Performance Guarantee Form provided in the Bidding Documents. Failure of the successful Bidder to comply with the requirement of **ITB Clause 29 or ITB Clause 30 shall** constitute

sufficient ground for the annulment of the award of contract and forfeiture of the bid security/EMD.

31. Corrupt or Fraudulent Practices:

31.1 The DCI requires that the Bidders/Contractors/ observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the DCI., defines for the purposes of this provision, the terms set forth below as follows:

“corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and

“fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the DCI, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the DCI of the benefits of free and open competition;

Will reject a proposal for award if it determines that the Bidder has recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

31.2 Will declare a firm or company ineligible, either indefinitely or for a stated period of time, to be awarded a contract by DCI if it at any time determines that the firm or company has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract with DCI.

31.3 Furthermore, Bidders shall be aware of the provision stated in **Clause 21.1 of the General Conditions of Contract.**

32 General:

32.1 Bid Documents are not transferable.

32.2 Where the Bidder fails to enter a price or a rate in any, or part of the item of bill of quantities, then for the item or items for which no price or rate has been entered, the cost shall be deemed to be fully covered by the prices or rates entered into the other items in the Price Schedule.

32.3 The bidder shall produce documentary evidence for the technical data included in the tender, as far as possible.

32.4 All Signatures in the Document shall be dated.

- 32.5 All Tender Documents shall be treated as private and confidential and must be returned to DCI, without defacing or altering.
- 32.6 Canvassing in connection with this tender is strictly prohibited and the tenders submitted by the bidders who resort to canvassing will be liable for rejection.
- 32.7 All correspondences must be made to the DCI, HO even after award of work.

SECTION III
GENERAL CONDITIONS OF CONTRACT
(GCC)

1. Definitions

1.1. In this Contract, the following terms shall be interpreted as indicated:

1.1.1. "**Corporation**" means the Dredging Corporation of India Limited (DCI).

1.1.2. "Chairman and Managing Director (CMD)" means the Chairman and Managing Director of DCI.

1.1.3. "**The Contract**" means the agreement entered into between the DCI and the Contractor, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

1.1.4. "**The Contract Price**" means the price payable to the Contractor under the Contract for the full and proper performance of its contractual obligations.

1.1.5. "**Contractor**" means the person or persons, firm or company whose tender / offer has been accepted by the DCI and includes the Contractor's Representatives, heirs, successors and assigns, if any permitted by the DCI and supplying the Services under this Contract

1.1.6. "**The Services**" means all of the services, which the Contractor is required to supply to the DCI under the Contract.

1.1.7. "**Work**" means the Work to be executed in accordance with the Contract and includes authorized "Extra Works" and "Excess Works" and "Temporary Works".

1.1.8. "**Specifications**" means the relevant and appropriate Bureau of Indian Standard's Specifications (latest revisions) for materials and workmanship unless stated otherwise in the Tender.

1.1.9. "**Engineer** " means the DCI's official representative as may be appointed from time to time by DCI with consent of RSMML / employer to take decisions on behalf of DCI/RSMML , and with written notification to the Contractor, to act as DCI's representative for the purpose of the Contract, in place of the "DCI" so designated.

1.1.10. "**Excepted Risks**" are riot in so for as it is uninsurable, war, invasion, act of foreign enemies, hostilities (whether war be declared or not) Civil War, rebellion, revolution, insurrection or military or usurped power or use or occupation by the DCI of any portion of the works in respect of which a

certificate of completion has been issued (all of which are herein collectively referred to as the excepted risks).

- 1.1.11. "GCC" mean the General Conditions of Contract contained in this section.
- 1.1.12. "SCC" means the Special Conditions of Contract.
- 1.1.13. "Day" means calendar day.
- 1.1.14. "Month" means the English calendar month.
- 1.1.15. "Singular/Plural" Word importing the singular only, also includes the plural and vice-verse where the context so requires.
- 1.1.16. "The heading /Marginal Notes" in these General Conditions of Contract shall not be deemed to be part thereof or be taken into consideration in the interpretation or construction thereof or of the contract.

2. **Application**

These General Conditions shall apply to the extent that they are not superseded by provisions in this and other parts of the Contract.

3. **Standards**

The services provided under this contract shall conform to the Standards mentioned in "Technical Specifications".

4. **The Contract & General Obligations of Contractor**

4.1 **Applicability of Laws on the Contract:**

The contract shall be governed by all relevant Indian Acts as applicable only within the jurisdiction of the High Court at Andhra Pradesh, India, including the following Acts.

- 4.1.1 The Indian Contract Act, 1872
- 4.1.2 The Major Port Trust Act, 1963
- 4.1.3 The Workmen's Compensation Act, 1923
- 4.1.4 The Minimum Wages Act, 1948
- 4.1.5 The Contract Labour (Regulation & Abolition) Act, 1970.
- 4.1.6 The Dock Workers' Act, 1948

4.1.7 The Indian Arbitration and Conciliation Act (1996)

4.2 **Token of acceptance of work :**

After receipt of work order, the contractor has to sign on the duplicate of the work order and return back to DCIL, HO Visakpatanam as a token of acceptance of work.

4.3 **Contractor to Execute Contract Agreement:**

After receipt of work order and within 10 days, the Contractor shall, at his own expense, enter into and execute a Contract Agreement to be prepared by him in the form annexed hereto. Until such Contract Agreement is executed, the other documents referred to in the definition of the term "Contract" here in before, shall collectively be the Contract.

4.4 **Interpretation of Contract Document – Engineers' Power**

Several documents forming the contract are to be taken as mutually explanatory of one another. Should there be any discrepancy, the Engineer /DCI shall have the power to correct the same and his decision shall be final and binding on the parties to the Contract.

4.5 **Contractor Cannot Sub-let the Work**

The Contractor shall not directly or indirectly transfer, assign or sublet the Contract or any part thereof without the written permission of the Engineer. Even if such permission be granted, the Contractor shall remain responsible (a) for the acts, defaults and neglect of any sub-contractor, his agents, servants, or workmen as fully as if these were the acts, defaults or neglects of the Contractor himself or his agents, servants or workmen, and (b) for his full and entire responsibility of the contract and for active superintendence of the works by him despite being sublet, provided always that the provision of laborers on a "Piece rate" basis shall not be deemed to be subletting under this clause.

4.6 **Contractors' Price is Inclusive of All Costs.**

Unless otherwise specified, the Contractor shall be deemed to have included in his Tender / Offer all his cost for supplying and providing survey vessel/river worthy boat/ dingy boat/ labour including supervision thereof, transporting to and from the site and in and about the work, including loading, unloading equipment and ancillary spares, watch-keeping, lighting, running expenses of the Boat including fuel, oil, grease, wages of crew, mobilization, demobilization, dues, wharfage/ jetty charges, payment of fees, duties taxes excluding GST to the appropriate authorities and other things of every kind required for the completion work.

4.7 Contractor is Responsible for safety of the survey vessel(s)/ marine spreads/equipments including men and material:

The Contractor shall be solely responsible for all adequacy, stability and safety of all site operations, even if any prior approval thereto has been taken from the Engineer or his Representative.

4.8 Contractor to Supervise the Works

Necessary and adequate supervision shall be provided by the contractor during execution of contract. The contractor or his competent and authorized agent or representative shall constantly be at site and instructions given to him by the Engineer or his Representative in writing shall be binding upon the Contractor subject to limitation specified in the Contract. The Contractor shall inform the engineer/DCI or his Representative in writing about such representative / agent of him at site.

4.9 Contractor is Responsible for all Damages to Other Structures/ Persons, Caused by him in Executing the Work

The Contractor shall at his own cost protect, support and take all precautions in regard to the personnel or structure or services or properties belonging to the Engineer/DCI/RSMML, which may be interfered with or affected or disturbed or endangered and shall indemnify and keep indemnified the DCI against claim for injury, loss or damage caused by the Contractor in connection with the execution of the work to the aforesaid properties, structures and services and / or to any person including the Contractor's workmen. Cost of insurance Cover, if any, taken by the Contractor shall not be reimbursed by the Engineer/DCI, unless otherwise stipulated in the Contract.

4.10 Contractor to Indemnify the DCI against all Claims for Loss, Damage etc.

The Contractor shall be deemed to have indemnified the DCI against all claims, demands, actions and proceedings and all costs arising there from on account of:

4.10.1 Infringement of any patent right, design, trademark, or name or other protected right, in connection with the works or temporary work.

4.10.2 Payment of all royalties, rent, toll charges, local taxes, other payments or compensation, if any, for getting all materials and equipment required for the work.

- 4.10.3 Un-authorized obstruction or nuisance caused by the Contractor in respect of Public or Private road, railway tracks, footpaths, crane tracks, waterways, quays and other properties belonging to the DCI or any other person.
- 4.10.4 Damage / injury caused to waterway and bridge on account of the movement of Contractor's plants and materials in connection with the work.
- 4.10.5 Pollution of waterway and damage caused to river, lock, sea wall or other structures related to waterway, in operating contractor's vessels equipment.
- 4.10.6 The Contractor should make his own arrangements at his cost for a suitable berth during working, non-working time, repair and maintenance, and any other purpose etc. till completion of the work.
- 4.10.7 The Boat/ survey vessel should be adequately lit as per port rules/ Concern Authority norms and regulations and should have adequate lighting arrangements during survey.
- 4.10.8 The offshore and onshore survey has to be carried out as per the instructions of the Engineer or any nominated by DCI. A logbook shall be maintained by the Contractor, which shall form the basis for the payment.
- 4.10.9 The Contractor has to follow all safety regulations while carrying men / materials / equipment required for repairs if any, or any other service to ensure un-interrupted survey operations.
- 4.10.10 In the event of the breakdown / deficiency in making desired speed /condition of the deployed survey vessel/boat, Contractor has to replace the same with immediate effect without causing any hindrance to the normal activities of offshore hydrographic surveys or onshore surveys or other project works. The replaced sea worthy Boat/survey vessel should not be changed in specifications as agreed previously. In the event the Contractor fails to make arrangement for a substitute sea worthy boat for hydrographic survey then, Engineer will arrange a substitute at the risk and cost of the Contractor. No additional charges will be paid for the substitute of sea worthy Boat.
- 4.10.11 The survey vessel/ boat and survey equipment's deployed shall be available round the clock for survey operations.
- 4.10.12 The rate quoted by the Contractor shall include all running expenses of the Boat including fuel, oil, grease, wages of crew, mobilization and demobilization etc.
- 4.10.13 Contractor has to make arrangement of boat and a separate vehicle for DCI officials for regular monitoring of works.

4.11 **Notice to Contractor**

Every direction or notice to be given to the Contractor shall be deemed to have been duly served on or received by the Contractor, if the same is posted or sent by hand to the address given in the tender or to the Contractor's Site Office or to the Registered Office of the Contractor. The time mentioned in these conditions for doing any act after direction or notice shall be reckoned from the time of such posting or dispatch.

5. **Performance Security**

- 5.1 Within Ten (10) days after receipt of notification of award of the Contract, the Bidder shall furnish Performance Security to the Engineer/DCI in the amount specified in the Special Conditions of Contract.
- 5.2 The proceeds of the Performance Security shall be payable to the Engineer /DCI as compensation for any loss resulting from the Bidders failure to complete its obligations under the Contract.
- 5.3 A sum equal to 10% of the contract value as indicated in work order shall be deposited by the contractor by Demand Draft or by way of irrevocable, unconditional Bank Guarantee from Scheduled/ Nationalized Indian Bank as Performance Security Deposit in favour of Dredging Corporation of India Limited payable at Visakhapatnam as per Performa at Annexure enclosed. Bank Guarantee shall be valid till completion of work including extended period, if any. Performance Security Deposit will not carry any interest. The same will be returned after completion of work duly certified by DCI. If Bank Guarantee is submitted against Performance Security, it should be valid till completion of work including extended period if any.
- 5.4 In case the contract is further extended, sum equal to 10% of the contract value for the extended period of contract shall be deposited within 10 days after receiving a letter of extension of contract from DCI. Performance Guarantee Deposit will not carry any interest. The same will be returned after completion of work duly certified by the DCI. If Bank Guarantee is submitted against Performance Guarantee, it should be valid till 60 days after date of completion of work including extended period if any
- 5.5 The performance security will be discharged by the DCI and returned to the Contractor not later than thirty (30) days following the date of completion of the Contractor's performance obligations, including any warranty obligations, clearance of final bill, under the Contract.

6. **Insurance**

- 6.1. The contractor shall without limiting his obligations and responsibilities insure :
- 6.1.1 The contractor's equipment and other things brought on to the site by the contractor for the sum sufficient to provide for their replacement at the site
- 6.1.2 Against liabilities for death of or injury to any person or loss of or damage to any property arising out of the performance of the contract (Third Party Insurance).
- 6.1.3 Against any liability in respect of any damages or compensation payable to any workmen or other person in the employment of the contractor or any sub-contractor (Insurance against Accident to Workmen)
- 6.1.4 The boat/survey vessel shall have required number of life jackets, safety devices, fenders, anchors etc. The boat along with crew and passengers shall be insured for any mishaps.
- 6.2. The contractor shall provide evidence to Engineer, prior to the start of the work at site, that the insurances required under the contract have been affected. Insurance to be produced to Engineer within 10 days of issue of work order
- 6.3. The contractor shall notify the insurers of changes in the nature, extent or program for the execution of the works and ensure the adequacy of the insurance at all times.
- 6.4. If the contractor fails to effect and keep in force any of the insurances required under the contract or fails to provide the policies to the Engineer, then and in any such case the Engineer may effect and keep in force any such insurances and pay any premium as may be necessary for that purpose and from time to time deduct the amount so paid from the any monies due or become due to the contractor and recover the same as a debt due from the contractor.
- 6.5. In the event that the contractor fails to comply with conditions imposed by the insurance policies affected pursuant to the contract, the contractor shall indemnify Engineer against all losses and claims arising from such failure.

7. **Payment**

The Contractor's request(s) for payment shall be made to the DCI in writing, accompanied by invoice and relevant supporting documents.

- 7.1. A logbook shall be maintained by the Contractor, which shall form the basis for the payment.

- 7.2. Day to day quantities executed as per BOQ shall be noted in log book and shall certify by the DCI.
- 7.3. Mobilization payment shall be released after completion of mobilization & after commencement of survey work. The mobilization payment will be released within 21 days from the date of receipt of the invoice along with all relevant supporting documents, insurances etc.,.
- 7.4. The Bill for Services rendered monthly or surveyed quantity in line kms conducted and certified by the Engineer/DCI shall be submitted along with the invoice. Payment will be made on monthly basis based on the quantities executed and certified as per BOQ by the Engineer/DCI. Monthly Payment shall be made by DCIL, within 21 days from the date of submission of invoice/claim by the Contractor complete in all respects along with relevant supporting documents. The payments will be done by Electronic Payment. No cash payment or Advance for the work done or any other advance whatsoever will be payable to the Contractor.
- 7.5. 5% of the contract value shall be deducted from each bill on account of Retention money. The same will be returned after completion of work and shall not carry any interest. If 5% of contract value in form of Bank Guarantee is submitted against retention money, it should be valid till 60 days after date of completion of work including extended period if any. This BG will be discharged by Engineer/DCI and returned to the Contractor not later than thirty (30) days following the date of completion of the Contractor's performance obligations, including any warranty obligations, clearance of final bill, under the Contract.
- 7.6. After completion of entire work by the contractor in all respects and submission of draft charts /reports and after submission of final report in all respects as per BOQ, the final bill will be raised by the Contractor. The payment for the final bill will be released along with demobilization amount and after submission of work completion certificate within 45 days from the date of receipt of invoice. Contractor should raise his invoice based on work completion certificate issued by DCI along with final reports (4 hard copies and two soft copies).

8. **Prices**

Prices charged by the Contractor for Services performed under the Contract shall not vary from the prices quoted by the Contractor in its bid subject to **Clause 3 of SCC.)**

9. **Change Orders**

- 9.1 The DCI may at any time by a written order give to the Contractor make changes within the general scope of the Contract for the services to be provided by the Contractor.
- 9.2 If any such change causes an increase or decrease in the cost of or the time required for the Contractor's performance of any part of the work under the Contract, whether changed or not changed by the order, an equitable adjustment shall be made in the Contract Price or time for completion, or both and the Contract shall accordingly be amended. Any claims by the Contractor for adjustment under this clause must be asserted within thirty (30) days from the date of the Contractor's receipt of the DCI's change order.

10. **Contract Amendments**

Subject to GCC Clause 10, no variation or modification of the terms of the Contract shall be made except by written amendment signed by the parties.

11. **Assignment**

The Contractor shall not assign, in whole or in part, its obligations to perform under the Contract except with the DCI's prior written consent.

12. **Subcontracts**

The Contractor shall not subcontract any part of the work without written permission of DCI.

13. **Delays in the Contractor's Performance**

- 13.1 The performance of Services shall be made by the Contractor in accordance with the time schedule prescribed by the DCI in the Schedule of Requirements.
- 13.2 If at any time during performance of the Contract, the Contractor or its subcontractor(s) should encounter conditions impeding timely performance of Services, the Contractor shall promptly notify the DCI in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Contractor's notice, the DCI shall evaluate the situation and may at its discretion extend the Contractor's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of Contract.
- 13.3 Except as provided under GCC Clause 17, a delay by the Contractor in the performance of its service obligations shall render the Contractor liable to the imposition of liquidated damages pursuant to GCC Clause 14, unless an

extension of time is agreed upon pursuant to GCC Clause 14.2 without the application of liquidated damages.

14. **Liquidated Damages**

Subject to **GCC Clause 17**, if the Contractor fails to perform the Services within the period(s) specified in the Contract, the DCI shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to 1% per day of the contract price will be charged for delay in completion of whole work subject to maximum 10% of the contract price. Once the maximum is reached, the DCI may consider termination of the Contract pursuant to **GCC Clause 16**.

15. **Termination for Default**

15.1 The DCI, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Contractor, may terminate this Contract in whole or in part:

15.2 If the Contractor fails to provide the service within 15 days, or within any extension thereof granted by the DCI pursuant to GCC Clause 14; or

15.3 If the Contractor fails to perform any other obligation(s) under the Contract.

15.4 If the Contractor, in the judgment of the DCI, has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

For the purpose of this clause:

"Corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

"fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the DCI, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the DCI of the benefits of free and open competition.

15.5 In the event the DCI terminates the Contract in whole or in part, pursuant to GCC Clause 16.1, the DCI may procure, upon such terms and in such manner, as it deems appropriate, Services similar to those undelivered, and the Contractor shall be liable to the DCI for any excess costs for such similar Services. However, the Contractor shall continue performance of the Contract to the extent not terminated.

16. **Force Majeure**

16.1 Notwithstanding the provisions of **GCC Clauses 14, 15, 16** the Contractor shall not be liable for forfeiture of its performance security, liquidated damages or termination for default if and to the extent that, it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

16.2 For purposes of this Clause, "Force Majeure" means an event beyond the control of the Contractor and not involving the Contractor's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the DCI either in its sovereign or contractual capacity, wars or revolutions, fires, floods, Tsunami, epidemics, quarantine restrictions and freight embargoes.

16.3 If a Force Majeure situation arises, the Contractor shall promptly notify the DCI in writing of such conditions and the cause thereof. Unless otherwise directed by the DCI in writing, the Contractor shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

17. **Termination for Insolvency**

The DCI may at any time terminate the Contract by giving written notice to the Contractor, without compensation to the Contractor, if the Contractor becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the DCI.

18. **Termination for Convenience**

The DCI may, by written notice sent to the Contractor, terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the DCI's convenience, the extent to which performance of work under the Contract is terminated, and the date upon which such termination becomes effective. A notice period of 2days will be given.

19. **Settlement of Disputes**

19.1 If any dispute or difference of any kind whatsoever shall arise between the DCI and the Contractor in connection with or arising out of the Contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

19.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the DCI or the Contractor may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given.

19.3 Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to providing of the services or after providing the services under the Contract.

19.4 Arbitration proceedings shall be conducted in accordance with the rules of procedure **specified in the SCC.**

19.5 Notwithstanding any reference to arbitration herein,

(a) The parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and

(b) The DCI shall pay the Contractor any monies due to the Contractor.

20. **Limitation of Liability:**

Except in cases of negligence or willful misconduct, the Contractor shall not be liable to the DCI, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Contractor to pay liquidated damages to the DCI.

21. **Governing Language:**

The contract shall be written in English. All correspondence and other documents pertaining to the Contract which are exchanged by the parties shall be written in English only.

22. **Applicable Law**

The Contract shall be interpreted in accordance with the laws of India.

23. **Compliance with Statutory Requirements:**

The contractor shall at all times during the continuance of the contract comply fully with all existing acts, regulations and bye-laws including all statutory amendments and re-enactment of state or central government and other local authorities and any other enactments and acts that may be passed in future either by the state or the central government or local authority including Indian

Workmen's Compensation Act, Contract Labour (Regulation and Abolition) Act 1970 and Equal Remuneration Act 1976, Factories Act, Minimum Wages Act, Provident Fund Regulations, Employees Provident Fund Act, Merchant Shipping Act and other Maritime Legislations / Rules / Regulations etc. in so far as they are applicable to this contract. The Contractor shall indemnify and keep the DCI indemnified in case any proceedings are taken or commenced by any authority against DCI for any contravention of any of the Laws, Bye-laws or scheme by the Contractor. If as a result of Contractor's failure, negligence, omission, default or non-observance of any provisions of any laws, the DCI is called upon by any authority to pay or reimburse or require to pay or reimburse any amount, the DCI shall be entitled to deduct the same from any monies due or that may become due to the contractor under this contract or any other contract or otherwise recover from the contractor any sums which the DCI is required or called upon to pay or reimburse on behalf of the contractor.

24. **Taxes and Duties**

The contractor shall pay all taxes, levies, duties, etc. excluding service which he/she may be liable to pay to the State Government or Government of India or any other authority under any law for the time being in force as on the date of submission of tender in respect of or in accordance with the execution of contract.

If any new taxes and/or increase / decrease in existing taxes and duties are imposed subsequently by Central/State Government, the same will be applicable to this contract,

The GST will be reimbursed to the contractor subject to production of proof of payment made to the Service Tax authorities.

25. **Income Tax Deduction:**

Deduction of income tax shall be made from any amount payable to the contractor as per the relevant provisions of the Income Tax Act.

26. **Notices**

26.1 Any notice given by one party to the other pursuant to the Contract shall be sent in writing or by email or Letter and confirmed in writing to the address specified for that purpose in the Special Conditions of Contract.

26.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

SECTION -IV
SPECIAL CONDITIONS OF CONTRACT
(SCC)

The following Special Conditions of Contract shall supplement the General Conditions of Contract and shall read in conjunction with respective clauses of General Conditions of Contract (GCC).

1. Scope of Work

1.1 General information about Reservoir Site

Rajasthan Mines and Minerals Ltd (RSMML), Jaipur has intended to take up the De-silting Operations of Bisalpur dam Reservoir to enhance the water holding capacity of reservoir to its maximum capacity and in this context approached DCI to take up the de-silting/dredging operations of the reservoir. DCI has taken up the desilting operations of the reservoir and before going for dredging operations, it is proposed to take up detailed Geotechnical Investigations to assess the thickness of soil beds below bed level and also the nature of soil to assess the suitable type of dredging equipment and Hydrographic surveys.

The Bisalpur Dam is a gravity Dam on the Banas River near Deoli in Tonk District, Rajasthan, India. The dam was completed in 1999 for the purpose of irrigation and water supply. The Dam is located at approximately 170 Km from the city of Jaipur. Full Tank Level (FTL) is 315.50 Meters and RL at Dam Site is 295.00 meters. At FRL the reservoir occupies an area of 212.30 acres. Since Dam Completion in 1999 the rivers have been depositing material in the Reservoir area. Gross Reservoir storage Capacity is 1095 Mm³ and from which 6.321 M Cum is getting silted up every year. The Dam was filled up to 315 M in 2017 and overflowed in 2016. Average rainfall in catchment is 550 mm. Avg. Gradient is 1:2000 in reservoir from Dam.

DCI intend to employ competent firm for undertaking Hydrographic surveys in the Bisalpur Reservoir area and river approaches of the Reservoir.

The studies for hydrographic surveys and sub bottom profiler studies of Bisalpur Reservoir and its approaches would be carried out by mobilizing the suitable survey vessel, equipment etc and in suitable number immediately upon placing the work order and shall be completed within 60 days from the date of issue of work order excluding mobilization period of 14 days.

1.2 The scope of work consists of,

1.2.1 Banas River:

Length of the Stretch : 25 KM (Approx.)

Average Width of the stretch : 945 M (approx.) say 1 Km

Survey Lines:

- 1 serpentine Line (Approx. 35 Km)
- 1 Center Line: Approx. 25 Line Km
- 2 Wing Lines: Approx. 50 line Km
- @100 meter cross sections =

Total line kms = $35+25+50 + (250 \times 1) = 360$ Lkms

In the reservoir area of Banas river on either side of centerline of Banas river = $2 \times 20 \times 4 = 160$ L kms

Total survey lines in Banas river = $360+160 = 520$ L kms

1.2.2 Dai River:

Length of the Stretch : 15 KM (Approx.)

Average Width of the stretch : 140 M (approx.) say 0.15 Km

Survey Lines:

- 1 serpentine Line (Approx. 25 Km)
- 1 Center Line: Approx. 15 Line Km
- 2 Wing Lines: Approx. 30 line Km
- @100 meter cross sections =

Total line kms = $15+15+30 + (150 \times 0.15) = 83$ Lkms say 100 Lkms

In the reservoir area of Dai River on either side of centerline of Dai river = $2 \times 15 \times 4 = 120$ L kms

Total survey lines in Dai river = $100+120 = 220$ L kms

1.2.3 Khari River:

Length of the Stretch : 5 KM (Approx.)

Average Width of the stretch : 468 M (approx.) say 0.5 Km

Survey Lines:

- 1 serpentine Line (Approx. 10 Km)
- 1 Center Line: Approx. 5 Line Km
- 2 Wing Lines: Approx. 10 line Km
- @100 meter cross sections =

Total line kms = 10+5+10 + (50 x 0.5) = 50 Lkms

Total survey lines in all three rivers = 520+220+50= 790 L kms

1.2.4 Sub Bottom Profiler: Sub bottom profiler survey to be conducted using DGPS system and Boomer/Pinger Profiler (minimum penetration of 20 m or bedrock) to find isopach of sediments and interpretative profiles as designated below in the upstream rivers off Bisalpur Reservoir. Shore parallel lines i.e, One serpentine line and 3 lines (CL & 2WL) will be run in the area of interest. Total quantity required to be surveyed is **estimated about 200 LKM.**

- a) River Banas : 25kmx1km
- b) River Dai stream-: 15kmx0.15km
- c) River Khari stream- 5kmx0.5km

- 1.3 Hydrographic Surveys shall be carried out as per drawings/charts enclosed and coordinates provided.
- 1.4 Initially Khari river to be surveyed, later Dai river and finally Banas river to be surveyed or as per Engineer/DCI instructions
- 1.5 The total length to be surveyed in all three rivers is about 790 line kms.
- 1.6 Sub bottom profiler study of about 200 line kms and upto the minimum penetration of 20m below bed level shall be surveyed in all three surveys, enable to get the total profile of river beds up to minimum 20m below bed level.
- 1.7 All three river areas shall be surveyed at offshore and onshore also as per site requirement. For this purpose two wing lines, one center line, one serpentine line along the each river (longitudinally) shall be surveyed as per clause 1.2 SCC. Also at 100 meter intervals across the river, surveys shall be carried out. Suitable survey equipment Single beam/ Multi beam shall be used. It may also not ruled out the possibility of conducting of lead/land surveys. Hence bidder are strongly advised to visit the site and acquaint themselves the site conditions locally to develop the total three river profiles by adopting suitable methodology to complete the entire scope of work.

- 1.8 The indicated water depth is between 0.0m to 20m CD. If Area falling in survey stretches are above water level, Contractor is advised to make suitable methodology to complete the survey work at onshore at no extra cost and the rate for the same to be included in the rates provided for Hydrographic Surveys as per BOQ.
- 1.9 Contractor is advised to commence Hydrographic surveys from the extreme end of the river (when Full reservoir condition) and shall be continued towards the reservoir's area/dam so that minimum water depth may be anticipated at any point of time for hydrographic surveys. Shall mobilize required number of Survey vessel/equipment for offshore and onshore / subbottom profilers/ team with necessary all accessories.
- 1.10 The survey boat shall be equipped with survey instruments as per specifications and shall be able to complete the work as per stipulated time schedule in all respects.
- 1.11 Survey Charts shall be prepared at a grid minimum 10m x 100 m with minimum scale of 1:2000 or any suitable scale as Engineer/DCI desired as per site requirement.
- 1.12 The work shall be completed within 74 days including submission of final report and including mobilization period of 2 weeks.
- 1.13 Survey areas specified is only indicative and may **vary \pm 20 %** depending on the requirement.
- 1.14 After completion of required surveys of each river and sub bottom profiler study of all three rivers, draft survey charts/reports shall be submitted for each River separately. After taking into the due corrections/modifications from the Engineer/RSMML, final survey charts/reports shall be submitted for all three rivers.
- 1.15 After obtaining the assurance of the completion of river surveys from the Employer/DCI, survey vessel and equipment shall be demobilized.
- 1.16 Engineer/DCI/employer may depute 3 representatives onboard the survey vessel during the surveys to monitor jointly.
- 1.17 Boat supplier shall have valid permissions and insurance from respective authorities for above work, and same shall be valid during the entire period of contract. Offer should include provision of engaging dingy boat for shallow depth surveys using lead line and cost towards engaging dinghy boat should be included in the quote. No additional payments will be made for engaging the

dinghy boat. Further it may not ruled out for land surveys accordingly bidder shall quote in his tender as per BOQ

- 1.18 The survey vessel should be able to maneuver at low speeds of 1 to 2 knots also.
- 1.19 Before commencement of surveys the DGPS should be calibrated to the specified accuracy. Echo sounder shall be checked and calibrated daily before and after survey by means of bar
- 1.20 Survey boat/vessel should be operated by competent Navigational and survey personnel and must be conversant with various locations of the working area and region during operation
- 1.21 Necessary permissions for execution of work has to be taken by the contractor at his cost, Engineer/DCI will facilitate contractor in getting permissions from the employer.
- 1.22 Contractor has to make arrangement of boat and vehicle for DCI officials and client as and when required in order to visit site for regular monitoring and inspection purpose.
- 1.23 The proposed survey boat should be equipped with DGPS , Echo sounder equivalent to Deso 25/30 , Automatic radio tide gauges , heave roll and pitch sensor, printers , plotters etc., and qualified personnel for conducting bathymetric surveys and provide survey charts in required numbers after duly processing the above acquired data using "HYPACK MAX" processing system.
- 1.24 In case the Survey vessel/equipment/profiler is hired, the period of hire should be on par with the period of contract and an agreement to that effect signed by the owner on stamp paper duly notarized should be produced along with the tender.
- 1.25 The tenderer should submit the technical specifications of the survey boat and survey equipment/sub bottom profiler proposed to be deployed for the subject work in the technical bid.
- 1.26 All running and maintenance expenses for survey boat including crew wages, insurances , repairs , spares for the survey equipment , accessories , watch and ward , jetty charges if any etc or any other expenditure for operating and maintenance etc. shall be on tenderer's account.
- 1.27 The daily hire charges of the survey boat with equipments/personnel and mobilization/demobilization charges, payment for survey work carried out etc have to be included in the item quoted as per bill of quantities. No other claims than in BOQ will be entertained at any point of time.

- 1.28 In case of breakdown of any survey vessel/equipment, the tenderer shall forthwith replace with spare equipment of similar specifications and continue the work. For this purpose the contractor shall mobilize at no extra cost one set of complete spare back up equipment for uninterrupted survey works.
- 1.29 The tenderer must be conversant with various locations of the working areas and region during operation of survey launch.
- 1.30 All the certificates of the launch proposed to be deployed for the present tender shall remain valid during the entire period of contract including extended period if any.
- 1.31 The survey has to be carried out for a minimum of 8 hrs per day, however based on requirement the survey may have to be carried out any time in a day of 24hrs irrespective of duration and the rate quoted shall be inclusive of such contingencies.
- 1.32 The tenderer shall make own arrangements for processing, printing the processed data. The raw data should be processed immediately and handed over to Engineer/DCI both in 2 soft and 4 hard copies.
- 1.33 The soundings are to be taken at an accuracy of 0.10 m and reduced to chart datum. The depth/heights shall be plotted in meters and centimeters.
- 1.34 The tenderer is advised strongly to be inspected the areas of survey for all three rivers as per scope work and shall have complete knowledge before tendering. The tenderer shall inspect the area of work at his own cost and thoroughly acquaint himself with the site conditions. All the costs for execution of the works deemed to have been included in the tender and no claim whatsoever in this regard shall be entertained.
- 1.35 The tenderer shall mobilize the survey boat, equipment in operational condition and survey personnel within 14 days from the date of issue of work order. All surveys are required to be carried out following the scope of work and as per the instructions of Engineer/DCI representative.
- 1.36 **For monitoring the surveys works contractor shall provide the following to the Engineer/DCI and Employer's (RSMML) representatives at free of cost and shall be included in the tender cost.**
 - a. Suitable boat to inspect the surveys as and when required till completion of the project.
 - b. One car to inspect the site works on 24 hour basis till completion of the project.

- d. One laptop with suitable support software packages for site activity works and for communication
- e. 2 Hand GPS of Trimble/ Lecia with option for Real time corrections and minimum 3 meter accuracy for monitoring the Survey locations.

2. Performance guarantee

As per GCC clause 5

3. Price Variation Clause

All running expenses of contractor's marine spreads, equipment, Crew members wages, fuel, lubricants, grease, repairs, servicing, maintenance etc. shall be entirely to the contractor's account. No escalation charges due to hike in the price of fresh water /hike in price of Fuel/Lube oils and other consumables shall be admissible during the period of the contract/ extended period. The rates quoted in the Bill Of Quantities shall include all such uncertainties and continue the same throughout the tenure of the contract and the extended period, if any. No other price variation will be allowed for whatsoever reason during the currency of the contract and the extended period if any.

4. Liquidated Damages

As per GCC clause 14

5. Settlement of Disputes (GCC Clause 19)

The rules of procedure for arbitration proceedings pursuant to GCC Clause 19.2 shall be as follows: In the event of any dispute or difference between the Contractor and the Corporation arising out of or under these conditions or in connection with this contract shall be referred to a sole Arbitration of the person to be appointed by Dredging Corporation of India Ltd., and the decision of the Arbitrator shall be final and binding upon both the parties. Such Arbitration shall be held at Visakhapatnam and in accordance with the Indian Arbitration Act, 1996 including any statutory modifications or reenactment thereof. The Arbitrator may from time to time with consent of the parties enlarge the time for making and publishing the award. The Arbitrator shall give reason for the award. All disputes arising out or under the contract will be subject to the jurisdiction of the courts at Visakhapatnam only.

6. Compliance with Statutory Requirements (GCC Clause 23)

As per clause 23 GCC, Add clause 23.2

Provident Fund Contributions:

The bidder shall process an independent PF Code number obtained from the concerned PF Commissioner and submit the photocopy of the same along with the tender. If the same is not submitted with the tender the bidder shall obtain the same and produce to DCI before the issue of the work order.

A Certificate from the Regional Provident Fund Commissioner (RPFC) shall be furnished by the contractor stating that PF has been deducted from the employees and remitted to the concerned RPF Commissioner along with PF Number before releasing any payment to the Contractor. If the contractor fails to adhere to this condition DCI shall deduct 25.16%, namely

- Contribution of the worker - 12%
- Matching contribution of the Employer - 12%
- Inspection charges payable to RPFC - 1.16%

of labour component value from the bill and remit the amount to DCIL ECPF Fund. The above is subject vary as per instructions of GOI from time to time.

7. Notices

As per **GCC clause 26**—Contractor’s address for notice purposes.

8. Laws of the Land:

All relevant rules and regulations and laws regarding Trade Union, Labour, Marine and Pollution Control shall be complied by the contractor at his own cost. DCI shall be at liberty to deduct appropriate amount from the pending bills of the contractor in case the contractor fails to comply with the relevant rules and regulations.

9. Compliance of relevant Acts, Ordinances etc.

The contractor shall be required to comply with all relevant acts and laws including the Minimum Wages Act, 1948, Employees Liability Act, 1938, Industrial Dispute Act, 1947 and the Contract Labour (Regulation & Abolition) Act, 1970 or statutory amendment and the modifications thereof or any other laws relating thereto and the rules made there under, from time to time. It will be the duty of the contractor to abide by all the provisions of the Acts, Ordinances, Rules, Regulations, By-laws, procedures as are lawfully necessary in the execution of the works. The contractor will be fully responsible for any delay, damage, etc. on his part and shall keep DCI (Engineer) /RSMML(Employer) indemnified against all penalties and liabilities of any kind

for non-compliance or infringement of any kind, any such Act, Ordinances, Rules, Regulations, By-laws and Procedures etc. The contractor shall indemnify DCI/RSMML against payment to be made under or for the observance of the aforesaid Acts, Ordinances, Rules, Regulations, By-laws and Procedures, without prejudice to his right to claim indemnity from his Sub-contractors. The aforesaid Acts, Ordinances, Rules, Regulations, By-laws and Procedures shall be deemed to be a part of this contract and any breach thereof shall be considered deemed to be a breach of this contract.

10. Interpretation of Contract Documents, Disputes and Arbitration.

- 10.1 In all disputes, matters, claim demands or questions arising out Engineer/DCI of or connected with the interpretation of the contract including decision the meaning of Specifications, Drawings & Instruction or as to the quality of workmanship or as to the materials used in the work or the execution of the work whether during the progress of the works or after the breach of the contract, the decision of the Engineer/DCI shall be final binding on all parties to the contract and shall forth with be given effect to by the Contractor.
- 10.2 If the contractor be dissatisfied with any such decision of the Engineer/DCI, he shall within 15 days after receiving notice of such award/decision, requires that the matter shall be referred to Head of the Department (Marketing), who shall thereupon consider and give a decision.
- 10.3 If, however, the Contractor be still dissatisfied with the decision he would give notice to Engineer/DCI for arbitration, within 15 days after receiving such decision. Within 60 days from contractor's written notice, Engineer/DCI shall refer the matter to an Arbitrator from the panel of Arbitrators maintained by the DCI for the purpose and any such reference shall be deemed to be a submission for arbitration within the meaning of Indian Arbitration & Conciliation Act, 1996 or any statutory modification thereof.
- 10.4 If the Arbitrator so appointed is unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever, another person from panel shall be appointed as sole Arbitrator and he shall proceed from the stage at which it was left by his predecessor.
- 10.5 The Arbitrator shall be deemed to have entered on reference on the date he issues notice to both the parties fixing the date of first hearing.
- 10.6 The time limit within which the Arbitrator shall submit his award shall normally be 4 months as provided in Indian Arbitration Act, or any amendment thereof. The Arbitrator may, if necessary extend the time for making and publishing the award, with the consent of the parties.

- 10.7 The venue of the arbitration shall be at Visakhapatnam. Upon every or any such reference the cost of any incidental to the reference and award respectively shall be in the discretion of the Arbitrator who may determine, the amount thereof or by whom and to whom and in what manner the same shall be borne and paid.
- 10.8 The award of the Arbitrator shall be final and binding on all parties subject to the provisions of the Indian Arbitration Act with latest amendments thereof. Arbitrator shall give a separate award in respect of each item of dispute and respective claim referred to him by each party and give reasons for the award.
- 10.9 The Arbitrator shall consider the claims of all the parties to the contract within only the parameters of scope and conditions of the contract in question.
- 10.10 Save as otherwise provided in the contract the provisions of the Arbitration Act, and rules made there under, for the time being in force, shall apply to the arbitration proceedings under this clause.
- 10.11 The Contractor shall not suspend or delay the work and proceed with the work with due diligence in accordance with DCI/Engineer's decision. The DCI/Engineer also shall not withhold any payment, which according to him, is due or payable to the contractor, on the ground that certain disputes have cropped up and are likely to be referred to arbitration.

SECTION -V

TECHNICAL SPECIFICATIONS

1. Survey launch fitted with following survey equipment is to be deployed:
 - A. Standard DGPS
 - B. Heave, Pitch and roll compensator
 - C. Data acquisition and processing system "HYPACK "
 - D. Printers and plotters
 - E. VHF
 - F. Lead line
 - G. Dual frequency echo sounder of approved make equivalent to Deso-25/30 or ODOM make Echo track DR 3200 with calibration equipment and dual frequency transducer and bar check plate. /Multi Beam Echo Sounder

Land Surveys (if deemed necessary by contractor- cost to be included in Hydrographic Surveys only):
 - H. Nikon AC-2S Auto Level or equivalent
 - I. Levelling Staff
 - L. Spectra Focus 2 Total station Prisms with staffs (primary)
- 2 Sub bottom profiler and its accessories
- 3 The sea/ River worthy launch proposed for survey should have minimum speed of 5 to 6 knots and minimum deck space of 3 x 5 m equipped with safety gear as per Indian Mercantile act. However vessel should be able to maneuver at low speeds of 1 to 2 knots also. The boat should have ample space to provide day accommodation for representatives of Engineer/DCI, besides normal crew. Wheel house shall be air conditioned. All electronic equipments and computer based equipment should have compatibility to the other equipment.
- 4 At the start of each survey DGPS has to be calibrated to the specified accuracy. To this effect the tenderer shall establish a fixed point (or fixed point) with known co-ordinates such that the survey boat can easily be positioned with the transducer of the echo sounder always in same position relative to the calibration point.

- 5 Echo sounder(s) shall be checked and calibrated daily before and after the survey by means of bar suspended at a known distance below the water surface. The echo sounder should maintain a repeatable accuracy of better than 10 cm.
- 6 Before mobilization of boat and commencement of the surveys the tenderer should submit his schedule of program of work and the details of equipment proposed to be utilized for the survey for the approval of Engineer/DCI.
- 7 The tenderer shall arrange for inspection and trial run of the proposed survey boat along with relevant documents by the committee of DCI at his cost as and when asked by DCI and all other related expenses shall be borne by the tenderer. The place where the boat is stationed is also to be indicated in the tender for inspection. The tenderers having only such technically qualified boat shall be considered for opening of price bid.
- 8 The survey boat should be in good condition and shall be able to navigate with required speed at all times during the survey period in all weather conditions at stretches of Banas, Dai and Khari of Bisalpur Reservoir .
- 9 The survey boat should be operated by competent Navigational personnel and survey personnel.
- 10 The necessary shore stations if required for carrying out the surveys are to be erected by the contractor at his own cost and submit to DCI the entire survey proposal and the results for the approval for incorporating them for the surveys.
- 11 The survey record is the property of DCI and it should not be provided to any other agency or utilized for any purpose.
- 12 Mobilisation period is two weeks (14 days) from the date of issue of LOI /WO
- 13 Completion period shall be 60 days inclusive of submission of final charts/reports.
- 14 Survey in grid of minimum 10mX 100m to be carried out in the area marked as per drawing or 2000 or any suitable scale as Engineer/DCI desired as per site requirement.
- 15 The tenderer should have own or hire suitable boat having a minimum speed of 5 to 6 knots for operating conditions. Boat should be sea worthy, with draft not more than 2m. Offer should include provision of engaging dingy boat for shallow depth surveys using lead line and cost towards engaging dinghy boat should be included in the quote. No additional payments will be made for engaging the dinghy boat.

- 16 Survey quantities specified is only indicative and may vary +/- 20 % depending on the requirement.
- 17 The proposed survey boat should be equipped with DGPS , Echo sounder equivalent to Deso 25/30 , Automatic radio tide gauges , heave roll and pitch sensor, printers , plotters etc., and qualified personnel for conducting bathymetric surveys and provide survey charts in required numbers after duly processing the above acquired data using "HYPACK MAX" processing system.
- 18 The survey has to be carried out for a maximum of 8 hrs per day, however based on requirement the survey may have to be carried out any time in a day of 24hrs irrespective of duration and the rate quoted shall be inclusive of such contingencies.
- 19 The Layout Drawing is indicative

PREAMBLE TO PRICE BID

Tender for “*Conducting hydrographic surveys & Sub Bottom Profiler surveys in Bisalpur Dam reservoir and its approaches, Tonk (dt), Rajasthan, in connection with de-silting operations of the Reservoir*”.

1. The payment would be made for relevant items of Bill of Quantities as detailed in Payment Clause.
2. No other charges, other than those specified in the tender conditions shall be payable.
3. It is mandatory to quote for each items of BOQ. Bid shall not be considered for evaluation in case if any of items is left blank.
4. Rates inclusive of all taxes excluding GST
5. All running and maintenance expenses for survey boat including crew wages, insurances , repairs , spares for the survey equipment , accessories , watch and ward , jetty charges if any etc or any other expenditure for operating and maintenance etc. shall be on tenderer’s account.
6. The daily hire charges of the survey boat with equipments/personnel and mobilization/demobilization charges, payment for survey work carried out etc, have to be included in the item quoted as per bill of quantities.

SECTION – VI

PRICE-BID

BILL OF QUANTITIES

Sub:- "Conducting hydrographic surveys & Sub Bottom Profiler surveys in Bisalpur Dam reservoir and its approaches, Tonk (dt), Rajasthan, in connection with de-silting operations of the Reservoir" -Reg

Sno	Description of Activity	Unit	Quantity	Rate (₹)	Amount (₹)
1	Mobilisation of hydrographic survey equipment, survey vessel, total station, skilled manpower , its accessories, ancillary crafts etc, fuel, men, material, travel, lodging/boarding etc all complete to the site to conduct surveys at offshore and on shore as per specifications and all includes to commence and complete the surveys as per specifications.	LS	1		
2	Conducting hydrographic surveys and sub bottom profiler studies in line kms as specified below , with single beam/multi beam echo sounder, land and lead surveys as per scope of work in SCC to develop bed profile/topographic plan. The item shall include the complete cost of establishing reference points, labour, material, personnel, fixing gauges, data processing, preparation and submission of drawings as per scale required/ submission of reports, etc., complete as per laid down specifications and accuracy of the standards.				
a	Khari River as per 1.2.3 SCC and drawings	Lkm	50		
b	Dai River: as per 1.2.2 SCC and drawings	Lkm	220		
c	Banas River as per 1.2.3 SCC and drawings	Lkm	520		

d	Sub bottom profiler studies and drawings	Lkm	200		
3	De-mobilisation of hydrographic survey equipment, survey vessel, total station, manpower , its accessories, ancillary crafts etc, all complete from the site after completion of entire surveys as per scope of work or as directed by Engineer/DCI	LS			
	TOTAL =				

SAMPLE FORMS

Notes on the Sample Forms

The Bidder shall complete and submit with its price bid (Cover-A) the Bid Form.

The Price Schedules shall be submitted only along with the Price Bid (Cover-B).

The Proforma for Bank Guarantee for Earnest Money Deposit duly filled in should be submitted along with the Techno-Commercial Bid.

The Performance Security form should not be completed by the bidders at the time of their bid preparation. Only the successful Bidder will be required to provide performance security in accordance with one of the forms indicated herein or in another form acceptable to the DCI.

The Qualification Requirements form should specify, for example, requirement for a minimum level of experience in providing services in a similar type of activity for which the Invitation for Bids is issued.

The sample forms at Annexure –I to IV should be duly filled and submitted along with the Techno-Commercial Bid.

1. Bid Form

Date: _____

To:

The Dredging Corporation of India Limited,
'Dredge House', Port Area,
Visakhapatnam – 530 001.

Gentlemen:

Having examined the bidding documents including Addenda Nos. [insert numbers], the receipt of which is hereby duly acknowledged, we, the undersigned, offer to supply and deliver [description of services] in conformity with the said bidding documents for the sum or such other sums as may be ascertained in accordance with the Schedule of Prices submitted separately as a Price Bid and made part of this Bid.

We undertake, if our Bid is accepted, to provide the services in accordance with the schedule specified in the Schedule of Requirements.

If our bid is accepted, we undertake to provide a performance security in the form, in the amounts, and within the times specified in the Bidding Documents.

We agree to abide by this Bid for the Bid Validity Period specified in the document and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

Until a formal Contract is prepared and executed, this Bid, together with your written acceptance thereof and your notification of award, shall constitute a binding Contract between us.

We understand that you are not bound to accept the lowest or any bid you may receive.

We certify/confirm that we comply with the eligibility requirements as specified in the bidding documents.

Dated this _____ day of _____ 2018_____.

[In the capacity of]

Duly authorized to sign Bid for and on behalf of _____

2. BANK GUARANTEE FOR EARNEST MONEY DEPOSIT

Bank Guarantee

No.

Date

To

The Dredging Corporation of India,
Dredge House, Port Area,
Visakhapatnam – 530 001.

WHERE AS(hereinafter) called "the Tenderer" has submitted its tender datedfor the execution of (name of work).....(hereinafter called "the Tender") in favour of DREDGING CORPORATION OF INDIA LIMITED, Dredge House, Port Area, Visakhapatnam – 530 001 hereinafter called the "CORPORATION".

KNOW ALL MEN by these presents that we, (Bankers full address)

(Hereinafter called "the Bank" are bound unto the Corporation for the sum of Rs..... (Rupees.....only) for which payment will and truly to be made to the said Corporation, the Bank binds itself, its successors and assigns by these presents:

THE CONDITIONS of this obligation are:

1. If the Tenderer withdraws his Tender
 - (a) during the period of Tender validity specified in the Tender,
 - or
 - (b) Having been notified of the acceptance of his Tender by the Corporation during the period of Tender Validity.
2. Fails or refuses to sign on duplicate of work order , if required or
3. Commence the work as per the Letter of Intent or Work Order

We undertake to pay to the Corporation up-to the above amount upon receipt of his first written demand, without the Corporation having to substantiate his demand, provided that in his demand the Corporation will note that the amount claimed by him

is due to him owing to the occurrence of one or both of the conditions, specifying the occurred condition or conditions.

Notwithstanding anything herein contained, our liability under this guarantee is limited to Rs.....(Rupeesonly) and will remain in force up to 120 days from the date of opening of Second Cover / Finance Bid, and any demand in respect thereof must reach the Bank not later than the date of expiry of this guarantee failing which all the rights of the Corporation under the guarantee shall be forfeited and the Bank shall be deemed to be relieved or discharged from all liabilities hereunder.

Dated.....day of2018

For

.....

(Indicate Name of the Bank)

3. FORM OF BANK GUARANTEE BOND FOR PERFORMANCE SECURITY

(IN LIEU OF SECURITY DEPOSIT)

Bank Guarantee No.

Date

To

Dredging Corporation of India Limited

.....
.....

In consideration of Dredging Corporation of India Limited, a Company incorporated under the Companies Act, 1956 and having its Registered Office at Core No.-2, First Floor, SCOPE MINAR, Plot No. 2A & 2B, Laxmi Nagar District Center, DELHI - 110 091, India (herein after called the "DCI") having agreed to exempt M/s having its Registered Office at(herein after called the said "Contractor" from the demand under the terms and conditions of an Contract / Work Order datedmade between DCI and Contractor for(herein after called the said "Agreement"), of Security Deposit for the due fulfillment by the said Contractor of the terms and conditions contained in the said Agreement, on production of a Bank Guarantee for

..... only), we(hereinafter referred (indicate the name of the Bank) to as "the Bank" at the request of M/s..... (Contractor) do hereby undertake to pay to the DCI an amount not exceedingagainst any loss or damage caused to or suffered or would be caused to or suffered by the DCI by reason of any breach of the said Contractor of any of the terms and conditions contained in the said Agreement.

2. We, (Indicate the name of Bank) do hereby undertake to pay the amounts due and payable under this guarantee without any demur merely on a demand and without reference to the Contractor from the DCI stating that the amount claimed is due by way of loss or damage caused to or would be caused to or suffered by the DCI by reason of breach by the said Contractor of any of the terms or conditions contained in the said Agreement or by reason of the Contractor's failure to perform the said Agreement. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding(say.....only)

3. We undertake to pay to the DCI any money so demanded not withstanding any dispute or disputes raised by the Contractor in any suit or proceeding pending before

Contractor

any Court or Tribunal relating thereto our liability under this present being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment there under and the Contractor shall have no claim against us for making such payment.

4. We further (indicate name of the Bank) agree that the guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said Agreement and that it shall continue to be enforceable till all the dues of the DCI under or by virtue of the said Agreement have been fully paid and its claims satisfied or discharged or till DCI certifies that the terms and conditions of the said Agreement have been fully and properly carried out by the said Contractor and accordingly discharge this guarantee. Unless a demand or claim in writing under this guarantee has been received by us on, we shall be discharged from all liability under this guarantee thereafter.

5. We, further agree (indicate name of the Bank) that the DCI shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Agreement or to extend time of performance by the said Contractor from time to time or to postpone for any time or from time to time any of the powers exercisable by the DCI against the said Contractor and to forbear or enforce any of the terms and conditions relating to the said Agreement and we shall not be relieved from our liability by reason of any such variation, or extension being granted to the said Contractor or for any forbearance, act or omission on the part of the DCI or any indulgence by the DCI to the said Contractor or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

6. This guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor.

7. We, lastly undertake not to (indicate name of the Bank) revoke this guarantee during its currency except with the previous consent of the DCI in writing.

8. This guarantee will remain in force until All claims under this guarantee must be made in writing and dispatched to us by Registered Post, Hand Delivery or by Courier against acknowledgment. Notwithstanding what is stated above, our liability under this guarantee will be limited to.(..... Only).

Dated theday of2018.
