- e) If the successful tenderer does not commence work as per the provision of DLOA / tender.

VALIDITY

- 3.43** Tender submitted by tenderer shall remain valid for acceptance for a period of 120 days, from the date of opening of tender (Part I of the offer). An offer with a validity period of less than 120 days is liable to be rejected. The tenderer on its own shall not during the said period of 120 days or in agreed extended period cancel and/or withdraw his tender nor shall he make any variation therein. In case of tenderer revoking, cancelling, modifying and/or withdrawing his bid during the validity of bid, the earnest money deposited by him along with tender shall stand forfeited and tender will not be considered for further evaluation.
- 3.44** In exceptional circumstances, prior to expiry of the original time limit, the Company may request the tenderer to extend period of validity for a specified additional period. The request and the tenderer's responses shall be made in writing. A tenderer if agreeing to the request will not be required or permitted to modify his bid.

PRE-BID MEETING

- 3.45** RSMML proposes to hold a pre-bid meeting to clarify doubts and furnished replies to the questions/ observations raised by the bidders in this document. The meeting will be held on 19.09.2017 at 11 AM. The venue of the meeting will be RSMML's Corporate Office, Udaipur. The bidders are required to send their queries, if any, at least 7 (Seven) days before the pre-bid meeting. The queries should be addressed to General Manager (Projects), Udaipur. The participation in meeting is not mandatory.

EXAMINATION OF BIDS AND DETERMINATION OF RESPONSIVENESS

- 3.46** Prior to the detailed evaluation of Bids, the Company will determine whether each Bid:
- i) has been properly signed;
 - ii) is accompanied by the required securities; and
 - iii) is substantially responsive to the requirements of the Bidding documents.
- 3.47** A substantially responsive Bid is one which conforms to all the terms, conditions of the Bidding documents without material deviation or reservations. A material deviation or reservation is one:
- i) which affects in any substantial way the scope, quality, or performance of the work; and/or

- ii) which limits in any substantial way the Company's right or the Bidder's obligation under the contract; and/or inconsistent with the Bidding documents.
- iii) whose rectification/acceptance would affect unfairly the competitive position of the other Bidders presenting substantially responsive Bids.

OPENING OF THE TENDER

- 3.48** The Techno-Commercial part of the offer will be opened in the office of the General Manager (Projects), Corporate Office, 4 Meera Marg, RSMML, Udaipur – 313 004, Rajasthan.
- 3.49** If the date fixed for opening of tenders happens to be a holiday for any reason, the tenders will be opened on the next working day on same time.

EVALUATION OF TECHNO-COMMERCIAL BID

- 3.50** The techno-commercial bids of substantially responsive tenderer's will be evaluated from all aspects. The RSMML reserves the right to assess the capability and competency of the tenderer based upon the information provided by the tenderer in the techno-commercial bid and the information that may otherwise be available to and/or gathered by the RSMML. The decision of the RSMML as to which tenderer is capable & competent to carry out the work shall be final. The tenderer should, therefore, see that he has required level of technical, financial & managerial competence & experience before submitting the tender.
- 3.51** The tenderer shall be prepared to furnish clarification/information and attend meetings/discussions as required by the company from time to time.

CORRECTION OF ERRORS

- 3.52** Price Bid (Part – II) subsequent to its opening will be checked by the Company for any arithmetical errors. Errors will be corrected by the Company as follows:
- a) where there is discrepancy between the amounts in figures and in words, the lower of the two would be taken ; and
 - b) where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern; and
 - c) Discrepancy in totalling or carry forward in the amount quoted by the contractor shall be corrected. The tendered sum so corrected and altered shall be substituted for the sum originally tendered and will be considered for acceptance instead of original sum quoted by the tenderer.
- 3.53** The amount stated in the Bid will be adjusted by the Company in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the Bidder.

3.54 DETERMINATION OF THE LOWEST BIDDER

The Part II of bid i.e. Price Bid of the short-listed bidders shall be evaluated for deciding the lowest tenderer as per the procedure prescribed in Clause 4.16 of the tender document.

NEGOTIATION

3.55 Negotiations will be conducted with the lowest tenderer only. In case of non-satisfactory achievement of rates from lowest tenderer, RSMML may choose to make a written counter offer to the lowest tenderer and if this is not accepted, RSMML may decide to reject and re-invite fresh tenders or to make the same counter-offer first to the second lowest tenderer, then to the third lowest tenderer and so on in the order of initial bidding, and work order be awarded to the tenderer who accepts the counter offer.

3.56 In the case, when the offer given by the tenderer during negotiations is higher than the original offer of the tenderer then the tenderer will be bound by the lower rate originally quoted by the tenderer.

3.57 In case of negotiations, representative of the tenderer attending negotiations must possess written authority from the tenderer to the effect that he is competent to modify/amend the submitted tender deviations and rates offered by them.

PROCESS TO BE CONFIDENTIAL

3.58 Information, relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed (subject to provisions of right to information act, 2005) to the bidders or any other person. Any effort by a Bidder to influence the Company's processing of Bids or award decision may result in rejection of his bid.

3.59 The tenderer may note that indulgence in submitting unsolicited offers or submitting unsolicited correspondence after submission of bid is liable to debar him from participating in RSMML tenders.

NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT

3.60 The tenderer, whose Bid has been accepted, will be notified of the award by the Company, through postal communication or through facsimile confirmed by registered letter/speed post. This letter (hereinafter and in Conditions of Contract called the "Letter of Acceptance/ Detailed Letter of Acceptance ") will state the sum unit / Rate that the Company will pay to the Contractor in consideration of the execution and completion of the work awarded as prescribed in the Contract.

3.61 The notification of award will constitute the formation of Contract. The execution of agreement as per clauses, below would be the formalization of agreement that was commenced with the issuance of LOA/DLOA.

INTERFERENCE WITH PROCUREMENT PROCESS

3.63 In case the tenderer
i) Withdraws from the procurement process after opening of financial bids;

- ii) Withdraws from the procurement process after being declared the successful bidder
- iii) Fails to enter procurement contract after being declared the successful bidder;
- iv) Fails to provide performance security or any other document or security required in terms of the bidder documents after being declared the successful bidder, without valid ground, shall, in addition to the recourse available in the bidding documents or the contract be punished under RTPP Act with fine which may extend to fifty lakh rupees or ten percent of the assessed value of contract, whichever is less.

SIGNING OF THE CONTRACT AGREEMENT

- 3.64** The successful tenderer shall be required to execute an agreement on non-judicial stamp paper of appropriate value under Indian Stamp Act with the company within 60 days from the date of intimation regarding acceptance of tender (LOA/ DLOA). The cost of execution of agreement including non-judicial stamp paper shall be borne by the contractor.
- 3.65** The contract agreement shall consist of –
- i) An agreement on non-judicial stamp paper of appropriate value.
 - ii) Tender document along with the addend/corrigenda, if any.
 - iii) Letter of Acceptance & Detailed Letter of Acceptance.
 - iv) Agreed Variation, if any,
 - v) Techno-commercial offer.
 - vi) Any other document as mutually agreed.

RIGHTS OF COMPANY

- 3.66** The Company reserves the right -
- i) To reject any or all the tenders, in part or in full, without assigning any reason, there to,
 - ii) Not to accept the lowest tender or assign reasons for not accepting the lowest tender.
 - iii) Not to carry out any part of work.
 - iv) To reject the offer, if it is established that the tenderer has submitted any wrong/misleading information or forged documents along with offer or thereafter.

REFUSAL / FAILURE

- 3.67** In the event the Tenderer, after the issue of communication of Acceptance of Tender by the Company (LOA/DLOA), fails/refuses to accept the award and/or commence execution of the work as herein before, the Tenderer shall be deemed to have abandoned the contract and such an act shall amount to and be construed as the Contractor's calculated and wilful breach of contract, and in such an event the Company shall have full right to claim damages/compensation thereof in addition to the forfeiture of Earnest Money/Security Deposit so deposited.

Section –IV

DETAILED SCOPE OF WORK:

- 4.1 General** - The broad scope of activities to be carried out by the consultant is enumerated in the following clauses which is only indicative and any other activities which are not specifically mentioned herein or elsewhere in the document but required for completion of assignments, is deemed to have been included in the scope of work. The length, height, size, etc. mentioned in project components is for initial guidance and may vary as per detailed design calculations.
- 4.2 Location of the proposed site** - The proposed site for Composite Earthen Tailing Dam is near GSF workshop and LGO Crushing Plant at Jhamarkotra Mines. This area is covered by Survey of India G.T. Sheet no. 45 H/15 and co-ordinates are 24⁰29'14"N and 73⁰50'06" E. (Plan Enclosed)
- 4.3 Proposal** - It is proposed to develop a Composite Earthen Tailing Dam near GSF workshop at Jhamarkotra, District Udaipur, so as to retain about 6.15 Lac MT of tailing over and above the existing surface.

On the basis of a preliminary study, this may be carried out by constructing a fully equipped earthen dam of about 465 meter length having sufficient height so as to retain tailing up to a level of 547 MRL along with construction of allied structures like rain water diversion drains along upstream periphery, infiltration wells with barrel and approach, sedimentation tanks, detention tank, distribution chambers and connecting pipelines, construction of pump house and store, pump installation along with required suction and delivery pipeline work.

Additional Conditions of Contract

(i) Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- a. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- b. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- c. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
