i) As security for the due, proper and faithful fulfillment of the obligations under the contract, the tenderer will furnish to RSMML Security Deposit cum Performance Guarantee equal to 5% of total value of contract in the form of Demand Draft/RTGS/NEFT or in the form of Bank Guarantee in RSMML Performa by public Sector Banks & Private Sector banks as per schedule II of the Reserve Bank of India Act, 1954 as per list enclosed at annexure-XII having its Branch at Jodhpur, within 21 days from the date of on the stamp paper of appropriate value. An undertaking as per annexure-XIII will also be submitted along with the B.G. The security deposit should be valid for a period of 6 months in excess of warranty period + work completion period.

ii) "Security Deposit Cum Performance Guarantee" may also be furnished by the way of FDR in addition to existing methods mentioned in tender. FDR should be furnished as per provisions of RTPP Rule 75(3)(e), as below-

"Fixed Deposit Receipt (FDR) of a scheduled bank. It shall be in the name of procuring entity on account of bidder and discharged by the bidder in advance. The procuring entity shall ensure before accepting the Fixed Deposit Receipt that the bidder furnishes an undertaking from the bank to make payment/premature payment of the Fixed Deposit Receipt on demand to the procuring entity without requirement of consent of the bidder concerned. In the event of forfeiture of the performance security, the Fixed Deposit shall be forfeited along with interest earned on such Fixed Deposit".

- iii) The BG shall liable to be invoked/amount of SD is liable to be forfeited wholly or partly at the sole discretion of the Company, should the supplier either fails to execute the work within the stipulated period or fails to fulfill the agreed obligations or fails to settle in full it's dues to the Company.
- iv) The Company is empowered to recover from the S.D. any sum due and/or any other sum that may be fixed by the Company as being the amount or loss or losses or damages suffered by it due to un-satisfactorily performance or non-fulfillment of any of the conditions of the tender/contract.
- v) The Bank Guarantee/S.D. shall remain in force and binding, notwithstanding, if any variation, alternation, modification is made to the contract or any extension of the contract period is granted by RSMML.
- vi) RSMML shall not pay any interest on the Security Deposit. The security Deposit shall be released on application by the Supplier after the expiry of guarantees and after discharge of all the supplier's obligations under the contract.
- vii) The said Security shall not in any way be construed as a limitation of the supplier's responsibility or liability pertaining to its obligations and guarantees under the contract and shall be without prejudice to any other remedies available to RSMML in terms of the contract and or as per the laws of the land.

viii) Incase SD is being furnished in the form of Bank Guarantee; the BG should be furnished on the non-judicial stamp paper of the value equal to 0.25% (Zero Point Twenty Five Percent) of total Security Deposit amount subject to the maximum of Rs. 25000/- or as applicable at the time of submission of B.G.

ix) S.D. should be sent to the office of Head (MM), MM Dept. CO, Udaipur

16.0 EXCEPTION & DEVIATION/ ACCEPTANCE OF ALL THE TERMS & CONDITION OF TENDER:

Tenderers are advised to submit their offer based on terms & conditions and specifications contained in the tender document and not to stipulate any deviations. Offer containing stipulations of deviations to the terms & conditions are liable to be ignored. However, in case it is absolutely unavoidable to deviate from tender conditions then the tenderers should mention the deviations at their risk of rejection only in Annexure- IV. Deviations mentioned anywhere else in the offer shall be ignored without any consequences.

- i) Tenderer should mention the deviations, if any, at their own risk of rejection of their offer.
- ii) Deviations mentioned anywhere else in the offer shall be ignored without any consequences.
- iii) Tenders containing corrections and alterations are liable to be rejected unless all such corrections and alterations are legible, clear and signed by the tenderer. Tenders containing corrections and alterations are liable to be rejected unless all such corrections and alterations are signed by the tenderer.

17.0 PRICE:

- i) The firm & fixed price should be quoted on-line in Indian Currency strictly in Price Bid (BOQ) Cover – C on f.o.r. destination basis.
- ii) Tenderer (s) should offer prices strictly in the BOQ uploaded on the site. They should first download the BOQ from the site on their system and after filling it, the same BOQ should be uploaded on the e-procurement portal.
- iii) Price will remain firm and fixed till the complete execution of the contract.
- iv) Please quote the duties and taxes as applicable on the date of submission of offer clearly and separately against each item. In the event of any increase/decrease in the Taxes & duties by the Government, the difference of the same shall be passed on to the tenderer/RSMML as the case may be. The increase shall be payable only on the production of authentic documentary proof by the tenderer.
- v) Save and except as aforesaid, the tenderer shall not be entitled to raise any claim and/or demand and/or any dispute on account of escalation or raise or increase in the prices of any other item or element.
- vi) Timely deposition of GST and filing of requisite tax returns of relevant tax period would be the sole responsibility of the contractor. The contractor will also ensure that necessary credit on this account is available to RSMML in the next month. In case of any discrepancy, where credit is not available to RSMML, then company is free to deduct/recover/retain such amount from the

- bills of contractor or any other amount due to him/or from security deposit, as the case may be.
- vii) In case of reversal of Input tax credit (ITC), imposition of penalty on account of payment of GST and default in filing of returns towards the payment for the work, contractor is liable to pay all such dues to the company, failing which RSMML is free to deduct/ recover/retain such amount from the bills of contractor or any other amount due to him/or from security deposit, as the case may be.
 - viii) Further, the supplier shall submit an undertaking with bills bearing GSTIN and HSN/SAC Code that "total" GST has been deposited and returns have been filed for relevant tax period".
 - ix) In addition, a general undertaking shall also be furnished by the bidder at the time of submission of bid that as on date, no default has been made by us towards payment of GST and all returns up to the last date of submission of bid have been filed by us."

18.0 DETERMINATION OF ECONOMIC BIDDER AND NEGOTIATIONS:

- a) For evaluation purpose, The best economic bidder shall be determined on the basis of total landed price including basic price, Erection & commissioning, transportation, insurance, all taxes & duties & any other delivery charges etc. upto destination (EXCEPT GST). However, best economic bidder may require to match/rationalize the prices of items where their prices are found to be higher than lowest price for such respective item.
- b) RSMML reserves right to place order for all items to one bidder or to place order on item wise lowest basis.
- c) In the event the company does not find the lowest quoted rate, acceptable to it, then the tender will be scrapped and may be re-invited, or company may take any other suitable action as deemed fit looking to the exigency of the work.

NEGOTIATIONS:-

- i) Negotiations may be conducted with the lowest tenderer only. In case of non-satisfactory achievement of rates from lowest tenderer, RSMML may choose to make a written counter offer to the lowest tenderer and if this is not accepted, RSMML may decide to reject and re-invite fresh tenders or to make the same counter-offer first to the second lowest tenderer, then to the third lowest tenderer and so on in the order of initial bidding, and work order be awarded to the tenderer who accepts the counter offer.
- ii) In the case, when the quotations given by the tenderer during negotiations is higher than the original quotation of the tenderer then the tenderer will be bound by the lower rate originally quoted by the tenderer.
- iii) In case of negotiations, representative of the tenderer attending negotiations must possess written authority from the tenderer to the effect that he is competent to modify/amend the submitted tender deviations and rates offered by them.
- iv) In case RSMML decides for parallel orders, then the negotiations will be held with L2 & other tenderers to match /rationalize the L1 price in order of their ranking.

19.0 PARALLEL ORDERS:

In case RSMML opt for placing the purchase order to more than one tenderer, then initially L2 tenderer will be extended opportunity to match L1 rate after giving effect as per clause no. 18.0(a), on refusal by L2 tenderer, then to L3 tenderer & so on.

20.0 NO COMPENSATION FOR ALTERATION OF DELIVERY SCHEDULE OR SUSPENSION OF SUPPLIES:

If at any time before the commencement of the supply the Company, for any reason, whatsoever do not require the whole supply or part thereof as specified in the schedule of supplies, shall give notice in writing of the same to the supplier and the supplier shall neither be entitled to any compensation and/or damage of any kind whatsoever on account for loss or profit etc. nor the supplier be entitled to any claim or compensation for re-scheduling of delivery period.

21.0 TERMS OF PAYMENT:

i) **For supply, erection & successful commissioning of Bunk House-**

90% payment within 30 days from the date of completion of work i.e. supply, erection & successful commissioning of bunk house along with accessories at site. Balance 10% within 30 days thereafter.

ii) **Billing & Paying Authority:**

The bill in triplicate along with the supporting documents duly verified by the consignee will be submitted to The Office of Head (MM), CO, 4 – Meera Marg, Udaipur for payment purpose. The payment disbursing authority is-

**The Financial Advisor,
Rajasthan State Mines & Minerals Ltd.
4, Meera Marg, Udaipur-313001**

iii) Payment will be made through NEFT/RTGS.

iv) Payment will be made after deducting statutory taxes wherever applicable.

22.0 COMPENSATION FOR DELAYED DELIVERY:

In the event of the tenderer fails to supply, erection & Commission the Bunk House alongwith related work as per scope of work of tender within the scheduled work completion period as specified in PO or the stores are rejected, the Company shall be entitled at its option either:

- a) to recover from the supplier as agreed pre determined compensation @ ½% (Half percent) per day of the total value of work, subject to a maximum of 5% of the total value of work,
- b) either to purchase from elsewhere, without notice to the supplier at his risk and cost full or undelivered part, as the case may be

OR

- c) to cancel the contract.

In case of b & c above, the Company will be empowered to purchase stores which are readily available with alternative source to meet the requirement irrespective of the fact whether these are similar or not.

23.0 ASSIGNMENT:

The contractor shall not sublet, transfer or assign this contract or any part thereof (or any benefit or interest therein and there under) without written consent of the company. But such consent of the company, if given shall not relieve the contractor from any liability or obligation under this contract and the contractor shall be responsible for all acts, defaults and neglects of the sub-contractor, his agents and employees fully as if those are the Contractor's own acts.

24.0 INDEMNIFICATION:

Except where arising from the negligence of RSMML or RSMML's employees, the tenderer shall indemnify RSMML in respect of any costs or damages, whatsoever arising out of or related to breach of statutes, laws, acts, rules and regulations, damage, accident or loss etc. by the tenderer or tenderers personnel or by claims made against RSMML by third parties in respect thereof.

25.0 INDIAN / INTERNATIONAL STANDARD :

The offered specification by the tenderer should be based upon Indian standards or equivalent and where no Indian standards exist the supplies should conform to International standards. All electric installations, equipment shall have to conform to Indian Electricity Rules 1967 and as amended from time to time. The equipment covered by specification shall, unless otherwise specified be build to conform to the requirements of relevant standards issued by any of the following and the tenderer should specifically mention in each case the applicability of the relevant latest standard.

1. Bureau of Indian Standard's Standard Codes and specifications wherever applicable. (ISI)
2. Indian Electricity Rule 1956, wherever applicable.
3. British Standard Specification, relevant Code and British Electrical Standard Association.
4. American Society of Mechanical Engineer's Power Test Codes.
5. American Society of Materials Testing Codes.
6. American Standards Association/ USA Standards Institute and Edison Electric Institute
7. Standard of Hydraulic Institute, USA
8. Heat Exchanger manufacturer's Association, Standards, USA
9. Bleeder Heater Manufacturer's Association, Standards, USA.
10. Appropriate national Standard Specification of the country of manufacture on approval by the purchaser.
11. Indian Boiler Regulation Act.
12. Indian Electricity Act. 1910.

26.0 PATENTS : Tenders shall warrant that all equipment or material furnished hereunder are and shall be free and clear of infringement of patent and copy right or trade mark prevalent, if any country.

27.0 COMPLIANCE OF RULES/GUIDELINES OF MINISTRY OF ENVIRONMENT AND CLIMATE CHANGE (MOEFCC).

The Bidder will ensure compliance of the rules / guidelines of Plastic Waste Management (Amendment) Rules, 2021 and its amendments from time to time as indicated in gazette notifications of the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India & Rajasthan State Pollution Control Board (RSPCB), wherever applicable.

28.0 TERMINATION:

- a) In case of failure to perform the job as required under this contract or observe breach of any of the terms and conditions by the tenderer, the company shall give a notice to rectify the default or breach within 10 days. Failure to rectify such default/ breach may result in termination of the contract and forfeiture of security deposit without any prejudice to the company's rights to claim damages/costs/loss etc caused by such default/breach. Such termination shall not absolve the tenderer of the liabilities accruing till the date of such termination.
- b) The contract may also be terminated in the event the tenderer is being adjudged insolvent or going into Liquidation or Winding up of their business, or making arrangement with their creditors.
- c) Notwithstanding anything contained herein above, the company in its absolute discretion may at any time terminate the order without assigning any reason thereof by giving Fifteen day's notice to the tenderer at their last notified address. In such an event the tenderer shall not be entitled to raise any claim or demand for compensation, loss of profit and/or damages and / or losses or costs by reason of such earlier termination on any ground whatsoever.

29.0 FORCE MAJEURE:

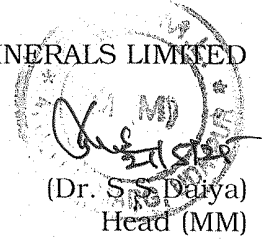

At any time, during the continuance of the contract, the performance in whole or in part by either party (sub-vendors excluded) and/ or obligations under this contract shall be prevented or delayed by reason of any war, Hostility acts of public enemy, civil commotion, sabotage, fires, floods, explosion, epidemics, quarantine restrictions, non-performance due to Acts of God or Acts of Government /statutory bodies (herein after referred as "Event") then provided a notice of the happening of any such event is given within seven days from the date of occurrence thereof neither party shall by reason of such event be entitled to terminate this contract nor shall either party have any claim for damage against the other in respect of such non-performance or delay in performance and the deliveries and/or performance of the work under the contract shall be resumed as soon as practicable after such event has come to an end or ceased to exist and decision of Company as to whether the deliveries and/or performance of the work have been so resumed or not shall be final and conclusive. Provided further that if the performance in whole or in part is delayed by reasons of any such events for a period exceeding thirty days either party may at its option terminate the contract.

30.0 JURISDICTION:

The contract is subject to the jurisdiction of courts at Udaipur only in the state of Rajasthan.

For RAJASTHAN STATE MINES & MINERALS LIMITED

(Dr. S. S. Daiya)
Head (MM)

I/We have studied the Technical Specifications above terms and conditions stated in SCC & GCC and having understood fully. I/We shall abide by and adhere to the above terms and conditions.

UNDERTAKING TOWARDS ACCEPTANCE OF ALL TERMS & CONDITIONS OF TENDER

Name of Tenderer_____

We confirm that all the terms & conditions of tender is acceptable to us except the following.

Tenderer may stipulate here exceptions and deviations to the tender conditions, if considered unavoidable. In case the tenderer does not mention any information to the deviations in the below format & furnish it blank then it will be presumed that the tenderer is not offering/ putting any deviations to the tender terms & condition. Tenderer should mention the deviations, if any, at their own risk of rejection of their offer.

S.N.	Tender Clause no.	Requirement as per tender clause	Offered condition/ Deviation

Company may accept or not to accept the deviations put by the tenderer at its sole discretion. No claim on this will be entertained.

Note: Deviation to the tender terms, if any, mentioned anywhere else (i.e. in any other document / place will not be considered & accepted. RSMML will not entertain any claim of the tenderer on offered deviations mentioned anywhere else.

Check-list to technical specifications of Bunk House

Description	Agreed/Deviation, if any. Please tick against each column towards acceptance
<p>1. SCOPE, APPLICATION & QUANTITY:</p> <p>The specification covers minimum technical requirement for procurement of following types of skid mounted portable bunk Houses meant for site office.</p> <p>Bunk House Quantity- 2 sets.</p> <p>2. GENERAL FEATURES:</p> <p>i. Size of bunk house (site office) shall be 20 feet x 10 feet.</p> <p>ii. Size of toilet shall be 6 feet x 4feet (separate).</p> <p>iii. The Bunk House units shall be new, unused, not refurbished & of recent manufacturing.</p> <p>iv. The Bunk House shall be environment friendly, comfortably designed with adequate ventilation and hygienic for use of personnel. All applicable safety & statutory regulations/guidelines must be incorporated while designing, fabricating/manufacturing & supply.</p> <p>v. The Bunk House shall be designed & developed to meet the requirement of remote, rugged, difficult terrain & isolated sites with extreme tropical weather conditions and it should provide comfort along with efficient functional facilities.</p> <p>vi. The bunk house shall be easily transportable in difficult terrain, from one site to another, easily placed and connect power ready for use. It should be suitable for lifting by means of cranes and movement of trailers. Lifting Hooks, frames etc. are to be provided accordingly.</p> <p>vii. Manufacturer shall specify and provide one set of standard tools for operation and maintenance of bunk house.</p> <p>viii. Bidder to submit detailed layout drawings along with bill of material including the make & Model, based on the specified parameters/makes/brands for the intended service/application/function for approval of the EIC along with catalogues along with offer.</p> <p>ix. EIC shall provide commissioning certificate of the complete unit.</p> <p>x. The bunk house shall be equipped with required fans (2 or more as per requirement), LED tube-lights, exhaust fans, adequate switches, electrical panels, fire extinguishers etc.</p>	

- xi. The inner panel wall of Bunk house should be equipped with screen hanging system (suitable for 55 inches screen) with required electrical, internet and power connections, to be used as monitoring & control system of CCTV Cameras.
- xii. Connectivity provision for public announcement system to be provided.

- xiii. 04 executive Tables, 04 work station, 12 nos. of staff chairs (revolving) of Godrej make shall be provided with the bunk houses, details are as below.

*Godrej make executive Tables, Model- Godrej Stylo Table (size in mm-1200W*600D*750H) – 4 nos.

*Godrej make Work Station, Model- Godrej work 5026 (size in mm-1500W*750D*740H) – 4 nos.

*Godrej make Chair, Model- Godrej Greta 2.0 High Back Chair – 4 nos.

*Godrej make Chair, Model- Godrej Oxbo Mid back Chair – 8 nos.

Price for these furniture is to be quoted separately in price bid. RSMML may or may not purchase the bunk house with these furniture.

- xiv. All door, windows, ventilation & Air-conditioner openings shall be provided with collapsible weather shed (easily closed/folded during transportation).
- xv. Power points shall be located to take care of electronic gadgets possessed by office staff such as laptop, mobile charger, printer connection etc.

3. TECHNICAL FEATURES:

i. CODES & STANDARDS:

The unit shall be designed, constructed and tested as per standard manufacturing practices, compatible with specified operating conditions & parameters and shall be suitable for the intended service.

ii. FUNCTIONAL PARAMETERS:

The bunk house shall be equipped with energy efficient (BEE rating appliances, wherever applicable) electrical equipment like AC, Wall/Ceiling fans, Exhaust Fans, lights, wherever applicable.

The Transportation of Bunk House to be done through proper transporting vehicle to facilitate transportation and handling, subject to RTO guidelines.

The bunk house shall be designed for a life of about 15 years.

The bunk House shall have absolute rigidity and strength to withstand all stresses, strains and vibration arising from

rough handling, transportation and transit. It shall also have the capability to protect the internal fittings and their fixtures.

Materials, fitting and fixtures used in bunk House should be easily available in the market. Supplier must give instruction manuals and recommended stock of **buffer spare parts** (for at least one year). Bidder shall ensure service centre for brought out items(s) must be available at **Rajasthan State preferable at Bhilwara or nearby.**

All safety & Statutory regulations/guidelines must be incorporated while designing, fabricating/manufacturing & supply.

The bunk House should be capable of being handled without any strain and damage under the following conditions:

- Lifting of bunk House by using slings and shackles directly from top corner lifting lug.
- Lifting and winching by attaching suitable shackle to the skid.

The bunk house unit shall be suitable for use with minimum & maximum ambient temperature of **-6 oC to 55 oC** and relative humidity up to 95%.

The bunk house shall have one input power supply provision to connect with output electric supply.

Supplier will supply & install two inverters of Sukam/Luminous/Microtek/Exide/Amron/APC Make of 1250 VA along with 200 AH battery. Battery should be fully maintenance free having warrantee period of 3 years. Supplier will provide warrantee card of Inverter & battery along with supply. Bunk house shall also be provided with suitable change over switch for DG set/Company power/RSEB power.

Supplier will supply & install two new DG sets of 10 KVA rating with Auto panel of Kirlosker/Mahindra/CG/Cummins make. Supplier will provide warrantee card of DG set along with supply.

Price for Inverters and DG sets is to be quoted separately in price bid. RSMML may or may not purchase the bunk house with Inverter & DG set.

iii. FIXED/VARIABLE PARAMETERS:

The bunk house shall be as per design compatible for the specified payload & specified conditions, intended services and RTO guidelines for transportation wherever applicable.

Overall Dimension of bunk house site office : 20' x 10' x 8' (LXBXH) excluding Skid Beam.

Overall Dimension of toilet : 6' x 4' x 8' (LXBXH) excluding Skid Beam having adequate water supply arrangement.

iv. CONSTRUCTIONAL FEATURES & PAINTING

a. Construction:

The Bunk house shall be designed & developed with highest structural stability, water proof, weather proof, termite proof, fire resistant materials & capable of self-stability & withstanding adverse weather & storm conditions for the intended service.

- b. Welding:** All the frame members and load bearing members of the Shell of the bunk house are welded construction. The welding is to be carried out by MIG process using CO2 as Argon shielding gas/ARC welding. All the external welding should be continuous, uniform and of full penetration.

c. Main Shell:

The cage structure, main bottom base frame and wall panels are constructed/fabricated out of MS frame work of IS 100 x 50 x 3.7 MM conforming to IS, bottom frame of 125x65x3.7 mm confirming to IS, bottom Skid Square hollow Pipes 80 x 40 x 3 MM conforming to IS and MS Pipes of 80 MM diameter conforming to IS.

The exterior cladding of the shell shall be vertically corrugated M S Sheet (Atmospheric corrosion resistant steel) 1.6 MM thick conforming to IS: 1079 or IS 513 or corrugated M S Sheet made with Corten - A sheet (Atmospheric corrosion resistant steel) or corrugated M S Sheet 1.6 MM thick (Atmospheric corrosion resistant steel) conforming to IRSM 41-97 and shall be welded with MIG process using CO2 as Argon shielding gas /ARC welding to the bottom MS Channel frame, Top Frame and Roof Frame.

The inner wall is covered with decorative exterior grade laminated board 12 MM thick or Aluminium composite panels 4.0 MM thick pre-laminated particle board 9.00 MM thick conforming to IS: 12823 or 9.0 MM thick BWR marine plywood conforming to IS: 710.

Light weight insulation is filled in between the exterior and interior block wall/cavity wall.

All the four corners vertical support posts shall be fabricated press component of 4 MM MS plate and all the corner posts shall be suitably welded at the top with ISO 1161 (Series 1) Corner Casting/MS plate 12 mm to hold steel forged lifting hooks or

corner casing mechanism (as available in marine freight containers) with 50 MM holes.

All the inter connecting cross members shall also be of steel channels duly welded throughout its length & width and conveniently equally spaced continuously welded to the bottom frame.

d. Flooring:

The floor panels shall be of 18 MM thick chequered marine plywood conforming to IS which is water proof, termite proof fixed with self-tapping screws to the base frame of 2x2 ft. Grid framing of 80x40 mm hollow pipe (2mm). The bottom shall be sealed with caulking compound and painted with bituminous paint. The inside top layer of the floor is covered with tough & scratchproof, rugged, easy to mop, 2.0 mm roll type PVC flooring of pale yellow shade of good quality as per manufacturer specification.

e. Side & End Walls:

The side & end walls shall be provided with cut out and frame work shall be made of MS pressed Z sections/vertically rectangular square tubes of 75 x 40 mm spaced at the intervals and connected together by horizontal pressed steel C sections to reverse as cross members to ensure complete rigidity to the entire structure, for windows, doors and weather tight cut outs for AC. All gaps shall be duly sealed at edges and seams to prevent ingress of rats, moisture etc. The exterior cladding of the shell shall be vertically corrugated M S Sheet (Atmospheric corrosion resistant steel) 1.60 MM thick or corrugated M S Sheet made with Corten - A sheet (Atmospheric corrosion resistant steel) or corrugated M S Sheet 1.6 MM thick (Atmospheric corrosion resistant steel) conforming to IRSM 41-97 and shall be welded with MIG process using CO2 as Argon shielding gas / ARC welding to the bottom MS Channel frame, Top Frame and Roof Frame.

f. Roof:

The curved roof sloping type towards the walls, 70 to 80 MM high at the centre for efficient drain of rain water and to avoid collection of dust, leaves etc. The roof (Self draining type) of the shell is made out of deep drawn corrugated steel sheets of minimum 1.6 mm thick. The roof panels will have a 6.9 mm positive camber at the centre to drain out the rain water. For the side walls, end walls, and the roof panels are butt welded for individual sub-assemblies and continuously welded to the frame members.

g. Weather Shed/Sun Shed:

All door, windows, ventilation & Air-conditioner openings shall be provided with collapsible weather shed (easily closed/folded during transportation) with MS Sheet 18 SWG.

h. Insulation: The side walls & end walls shall be insulated with CAST-IN-SITU 50 mm thick Poly Urethane Foam (PUF) / Rockwool and roof with 50 mm thick PUF/ Rockwool. The insulation material shall have density in the range of 30 to 32 kg/cum and the material shall have thermal conductivity of 0.017 w/mk. The overall heat transfer coefficient of the shelter after the insulation and furnishing shall not be more than 0.7. This insulation shall be rat proof, fire retardant, no hygroscopic and vermin proof besides having excellent thermal efficiency and acoustic performance. The material used should be fit to provide adequate insulation for the air conditioning exposed to an outside temperature of 45-48 °C for most part of the day.

i. Inner Panelling: The interior shall be aesthetically finished to give a pleasant appearance with high quality workmanship.

1. The internal panelling (inside walls & roof) shall consist of decorative exterior grade laminated board 12 MM thick or Aluminium composite panels 4.0 MM thick pre-laminated particle board 9.00 MM thick conforming to IS: 12823 or 9.0 MM thick BWR marine plywood conforming to IS: 710, water proof & Termite Proof, BIS marked & approved make, colour and design (Laminated sheet should be make of Formica/Suntee/Bake light only).
2. These shall be screwed/riveted on the side walls on the internal 'Z' sections/Angle frame/Square Tubes work.
3. All vertical and horizontal corners and boards joints shall be neatly finished with aluminium anodized heavy gauge angles and flats.
4. The vertical joints of the panel shall be fixed with decorative PVC beadings to match the colour of the panels.
5. The ceiling of the roof shall be suspended from inside on suitable Z section/angle frame/Square Tubes work.

j. Main Doors:

1. Doors shall be water proof double skin MS Door in 1.6mm Cold Role Iron Sheet covered with 3.5mm Aluminum Composite Panel / stainless steel or flush mounted double skin marine waterproof ply wood (of Marine grade) both sides laminated construction from high grade 3.2 mm thick steel frame work and shall be insulated with glass wool of minimum 40 mm thickness

for eliminating heat transmission and shock. The external side shall be fully clad with 1.6 mm Steel/ Aluminium Sheets or laminated sheet with 2 vertical corrugations and the internal side shall be with plywood hot pressed and phenol bonded with decorative laminated sheets similar to interior panel finish.

2. The door shall open from outside and shall be fixed with Heavy Duty Hydraulic door closer. Corrosion proof rubber gasket packing all around door frame for complete weather proof - ness shall be provided.
3. The door shall be provided with heavy gauge brass/steel container type plane hinges on Bush and bearing arrangement, superior quality Padlocks, tower bolts, handle grips. Manually operating type locking arrangements from internal and external sides along with locks of Godrej/Harrison/Link make should be provided. The heavy duty hinges should be strong enough to withstand the load of door during its operation in high wind/ stormy conditions. The shell structure should be rigid enough to withstand rough handling rigorous transportation hazards etc. and able to withstand flexing/distortion even when placed on uneven ground.

k. Windows & Ventilators:

1. **Windows:** 3/4 sliding windows of size 3' x 4' for proper ventilation will be provided in the bunk house.

Windows shall be made from three track high quality Aluminium anodized powder coated extruded architectural grade 18 SWG and shall be of sliding type fitted with 5 to 6 mm shatter proof safety clear glasses i.e. toughened reflective glasses (Saint Gobain /Modi/Tata/Asahi Float make). SS fly & mosquito proof stainless steel rust proof mesh shall be provided on third track frame of the sliding window. All window panes shall be provided with locking arrangements and window cut with steel or aluminium collapsible weather sheets which when folded shall completely close the windows. All windows shall have rubber/neoprene/nylon sealing to ensure complete insulation and should be leak proof. Hinged Iron grills of 5 mm MS rods shall also be provided in the windows for safety purposes. Width of track-18mm.

2. **Ventilators:** Ventilators shall be of louvered type. SS fly & mosquito proof stainless steel mesh shall be fitted on the ventilator. All ventilators shall be provided with steel or aluminium collapsible weather sheds with locking arrangements which when folded shall completely close the ventilator.

I. Electrical Fittings/Switch Boards:

All components are pre-wired for electrical fittings and air conditioning.

- i. All electrical fittings in the bunk house shall be 220 - 240V AC, 50 Hz with provision of neutral. All wirings (conforming to IS: 732) shall be of concealed type & PVC insulated copper wire 1.5 sq. mm size multi strand wires shall be used in circuits for lights, fans & sockets, 2.5 or 4 sq. mm size wire shall be used in all AC circuits and 10 or 16 sq. mm size wire shall be used for main incoming.
- ii. **PVC/Reinforced** Steel Flexible Tubing / Conduits in capping casing format.
- iii. Necessary Weather-proof Junction box of 63 Amps rating with MCB's, ELCB's etc. shall be provided for feeding power supply from external source.
- iv. **Earthing:** Earthing provisions for all electrical accessories/appliances/equipment and gadgets to be provided. Continuous earth wires shall be provided throughout the circuit and for earthing of complete bunk house cage. 2 Nos. external earth terminals (one each to be located at diagonally opposite side to each other) shall also be provided conforming to IS: 3043.
- v. The switch boards shall be of modern style and design to match with the elegant looks of the interiors i.e. modular design. Power points shall be located to take care of electronic gadgets possessed by crew members such as laptop, mobile charger, mosquito repellent, music system etc.
- vi. The incoming power for bunkhouse should be supplied from changeover panel located outside. The internal wiring for the bunkhouse should include 63 AMPS 3 phase connector (Plug Socket) with HRC fuse, RCCB with 30 MA sensitivity should be provided for incoming power. For connecting power supply to bunk house, 5 pin input industrial socket with a capacity of minimum 63 AMPS. Wherever required higher capacity input socket should be provided to cater to higher loads requirements. The input socket should be mounted on to the right top corner with metallic casing fitted outside to protect it from rain/ dust etc. One separate input socket excluding AC connection to be provided to use them in emergency when voltage is very low. As a measure of safety continuous 14 G copper earth wires should be provided as necessary. For lighting circuit 3/1.09 cable and for heavy duty circuit 7/1.22 cable should be used. All electrical fittings like cabin fan, decorative twin 4-feet tube fittings, night lamp and external flush type tube fittings with acrylic cover should be of GE/ MDS/ Havells / Siemens/ CG/Krupp/ Philips only. Each housing container module should be provided with 1

- No each Earth Leakage Circuit Breaker (ELCB) of English Electric / Hager/ standard /MDS make as a measure of safety of suitable incoming ratings and sensitivity provided on incoming D B Side.
- vii. Provision to be made for isolation of AC circuit during emergency. All electrical item used in bunk house should have ISI certificate. All cables used within the bunk house should have fire retardant certificates. All finished electrical circuit have to be pre-tested prior to delivery for effectiveness as well as safety.
 - viii. Electrical power sockets/ switches shall be placed so that they are easily accessible and as per industry standard.

m. Equipment/Appliances/Accessories :

- i. **Air conditioner:** The Bunk Houses shall be provided with two nos. Split ACs, 5 star rating, 2T capacity Inverter technology (Hitachi/Carrier/O-General/Daikin/Mitsubishi makes) with suitable stabilizer. Outdoor unit shall be in a cover box and sheltered in a recessed cut-out in the bunk house wall accessible from outside for ease of maintenance. The indoor unit shall be high wall mounted inside the bunk house. All piping & wiring of split AC should be concealed. Provision to keep voltage stabilizers suitably should also be provided. It is not necessary to remove the AC Units or lash it during transportation.

Air Conditioner warranty on whole equipment.- 1 year. Warranty of Compressor & PCB of Air Conditioners - Min 5 year warranty.

Price for AC is to be quoted separately in price bid. RSMML may or may not purchase the bunk house with AC.

- ii. **Wall/Ceiling fans, Pedestal Fans, Exhaust Fans:**
As per the requirement.

n. Internet Connectivity Cabling (Wherever applicable):

The bunk house shall have inbuilt provision for internet & Telephone connectivity cabling & fittings inside the office cabin. Internet Connectivity Cabling (Wherever applicable) shall be provided at the each office desk/work station.

- i. PAS (Wherever applicable): Connectivity provision for public announcement system to be provided.
- ii. AC, Voltage stabilizers, Inverter etc. are to be kept in boxed bracket frame suitably to avoid these appliances/equipment from any type of damage during transportation of bunk house as these are not to be removed or lashed during transportation.

- iii. Proper channel & pipe for drainage of rain water from the roof to be provided.

This Deed of Guarantee executed between _____ a Nationalized / Scheduled Bank, having its registered office at **(mention complete postal address with contact nos./mail address etc.)**_____ and its Head office at **(mention complete postal address with contact nos./mail address etc.)**_____ and wherever the context so required include its successors and assignees (hereinafter called the Surety/Bank) AND Rajasthan State Mines and Minerals Limited, a company incorporated and registered under Indian companies Act, 1956, having its registered office at C-89/90 Lal Kothi Scheme, Janpath, Jaipur and Corporate office at 4 Meera Marg, Udaipur and wherever its context so required includes its successors and assignees (hereinafter called 'the company').

Whereas the Company having agreed to exempt M/s. _____ a company/partnership firm _____ (address of registered/H.O.) where ever the context so require includes its successors and assignees (hereinafter called 'the Contractor/supplier/RC holder') from the demand under the terms and conditions of Letter of Acceptance/ Purchase Order/ Rate Contract no. _____ dated _____ issued in favour of the Contractor/supplier/RC holder, hereinafter called 'the said 'Letter of Acceptance/ Purchase Order/ Rate Contract' which expression shall also include any amendment, modification or variations thereof made in accordance with the provision thereof, of cash security deposit for the due fulfillment by the said Letter of Acceptance/ Purchase Order/ Rate Contract on production of unconditional and irrevocable Bank Guarantee for Rs. _____ (Rs. _____) being equivalent to _____% of Contract value of Rs. _____.

Now this deed witnesseth that in consideration of said bank having agreed on the request of the Contractor/supplier/RC holder to stand as surety for

payment of Rs. _____ as security deposit to the company subject to the following conditions.

We, _____ (Bank) do hereby undertake to pay to the company as amount not exceeding Rs. _____ against any loss or damage caused to or suffered or would be caused to or suffered by the company by reason of any breach by the said contractor/supplier/RC holder of any of the terms and/or conditions contained in the Letter of Acceptance/ Purchase Order/ Rate Contract. The decision of the Company, as to any such breach having been committed and loss/damage suffered to shall be absolute and binding on us.

We, _____ (bank) do hereby undertake without any reference to the Contractor/supplier/RC holder or any other person and irrespective of the fact whether any dispute is pending between the Company and the Contractor/supplier/RC holder before any court or tribunal or Arbitrator relating thereto, to pay the amount due and payable under this guarantee without any demur, and/or protest merely on the very first demand from the Company stating that the amount claimed is due by way of loss or damage caused to or suffered by or would be caused to or suffered by the Company by reason of any breach by the said contractor/supplier/RC holder of any of the terms and conditions contained in the said Letter of Acceptance/ Purchase Order/ Rate Contract by reason of the said contractor's/supplier's/RC holder's failure to perform the covenants contained in said Letter of Acceptance/ Purchase Order/ Rate Contract. Any such demand made on the bank shall be conclusive, absolute and unequivocal as regards the amount due and payable by the bank under this guarantee. However, bank's liability under this guarantee shall be restricted to an amount not exceeding Rs. _____.

We, _____ (bank) further agree that the guarantee herein above contained shall remain in full force and effect during the period that would be taken for the performance of the contract and that it shall continue to be enforceable till all the dues of the company under or by virtue of the contract have been fully paid and its claim/s satisfied or discharged or till the company certifies that the terms and the conditions of the said Letter of Acceptance/ Purchase Order/ Rate Contract have been fully and properly carried out by the said contractor/supplier/RC holder and accordingly discharges the guarantee, unless a demand or claim under this guarantee is made on the bank in writing on or before _____ (scheduled completion date, plus six months or period which is required), the bank shall be discharged from all liability under this guarantee thereafter unless otherwise further extended by the bank.

In order to give full effect to the guarantee herein contained the company shall be entitled to act as if, we(bank) are your principal debtor in respect of all your claims against the Contractor/supplier/RC holder hereby guaranteed by us as aforesaid and we hereby expressly waive all our rights of surety-ship and other rights, if any which are in any way inconsistent and/or contrary to the above or any other provision of this guarantee, the bank's guarantee to pay hereunder will not be determined or affected by your proceeding against the Contractor/supplier/RC holder and the bank will be liable to pay the said sum as and when demanded by you merely on first demand being made on the bank by you and even before any legal or other proceedings taken against the contractor/supplier/RC holder. Any letter of demand delivered at the bank's above branch/divisional office or Udaipur branch office _____ (specify the name & address) under the signatures of the company's Financial Advisor/

Group General Manager/ General Manager or any of the Directors shall deemed to be sufficient demand under this guarantee.

We, _____(bank) further agree that the company shall have the fullest liberty without our consent and without affecting in any manner our obligation hereunder to vary any of the terms and conditions of the said Letter of Acceptance/ Purchase Order/ Rate Contract or to extend time of performance by the said Contractor/supplier/RC holder from time to time or to postpone for any time or from time to time any of the powers exercisable by the Company against the said Contractor/supplier/RC holder and to forbear or enforce any of the terms and conditions relating to the Letter of Acceptance/ Purchase Order/ Rate Contract and we shall not be relieved from our liability by reason of any such variation or extension being granted to the said contractor/supplier/RC holder or for any fore bearance act, or omissions on the part of the company or any indulgence of the Company to the said Contractor/supplier/RC holder or by any such matter or things whatsoever which under the law relating to the sureties would but for this provisions have effect of so relieving us.

This guarantee herein contained would come into force from the date of issue and would not be affected by any change in the constitution of the contractor/supplier/RC holder or ourselves or liquidation or winding up or dissolution or insolvency of the contractor/supplier/RC holder nor shall it be affected by any change in company's constitution or by any amalgamation or any absorption thereof or therewith but shall ensure for and be available to and enforceable by absorbing or amalgamated company or concern till the payment or amount not exceeding Rs. _____ is made by the Bank.

The guarantee will not be discharged or affected if the Company holds/obtain any other security/guarantee/promissory note from any person and/or the contractor/supplier/RC holder and this guarantee shall be in addition to any such guarantees.

We, _____(Bank) lastly undertake not to revoke this guarantee during this currency except with the previous consent of the company in writing.

The bank has power to issue this guarantee in favour of the Company and the undersigned has full powers to do so under power of Attorney dated _____ granted to him by the bank.

For the purpose of enforcing legal rights in respect of this guarantee Udaipur courts in the state of Rajasthan alone shall have jurisdiction.

IN WITNESSETH I, HEREBY _____ SON OF _____(designation) _____(branch) constituted attorney of the said bank have set my signatures and bank seal on this guarantee which is being issued on non-judicial stamp of proper value as per Stamp Act prevailing in the state of _____executed at _____ this the _____ day of _____2025.

Annexure A: Compliance with the Code of Integrity and No Conflict of Interest

Any person participating in a procurement process shall –

1. Not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process;
2. Not misrepresent or omit that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation;
3. Not indulge in any collusion, bid rigging or anti-competitive behavior to impair the transparency, fairness and progress of the procurement process;
4. Not misuse any information shared between the procuring Entity and the Bidders with an intent to gain unfair advantage in the procurement process;
5. Not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process;
6. Not obstruct any investigation or audit of a procurement process;
7. Disclose conflict of interest, if any, and
8. Disclose any previous transgressions with any Entity in India or any other country during the last three years or any debarment by any other procuring entity.

Conflict of Interest:-

The Bidder participating in a bidding process must not have a Conflict of Interest. A Conflict of Interest is considered to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations.

A Bidder may be considered to be in Conflict of Interest with one or more parties in a bidding process if, including but not limited to:

- a) Have controlling partners/shareholders in common; or
- b) Receive or have received any direct or indirect subsidy from any of them; or
- c) Have the same legal representative for purposes of the bid; or
- d) Have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another Bidder, or influence the decisions of the Procuring Entity regarding the bidding process; or
- e) The Bidder participates in more than one bid in a bidding process. Participation by a Bidder in more than one bid will result in the disqualification of all bids in which the Bidder is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder, in more than one bid; or
- f) The Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Goods, Works or Services that are the subject of the bid; or
- g) Bidder or any of its affiliates has been hired (or is proposed to be hired) by the Procuring Entity as engineer-in-charge/consultant for the contract.

Annexure B: Declaration by the Bidder regarding qualifications
Declaration by the Bidder

In relation to my/our Bid submitted tofor procurement ofin response to their Notice Inviting Bids No..... datedI/we hereby declare under Section 7 of Rajasthan Transparency in Public Procurement Act 2012, that :

1. I/we possess the necessary professional, technical, financial and managerial resources and competence required by the Bidding Document issued by the Procuring Entity;
2. I/we have fulfilled my/our obligation to pay such of the taxes payable to the Union and the State Government or any local authority as specified in the Bidding Document;
3. I/we are not insolvent, in receivership, bankrupt or being wound up, not have my/our affairs administered by a court or a judicial officer, not have my/our business activities suspended and not the subject of legal proceedings for any of the foregoing reasons;
4. I/we do not have, and our directors and officers not have been convicted of any criminal offence related to my/our professional conduct or the making of false statements or misrepresentations as to my/our qualifications to enter into a procurement contract within a period of three years preceding the commencement of this procurement process, or not have been otherwise disqualified pursuant to debarment proceedings;
5. I/we do not have a conflict of interest as specified in the Act, Rules and the Bidding Document, which materially affects fair competition;
- 6.

Annexure C: Grievance Redressal during Procurement Process

The designation and address of the First Appellate Authority is: **Mines Dept, Govt. of Rajasthan**

The designation and address of the Second Appellate Authority is: **Finance Dept., Govt. of Rajasthan**

i) Filing an appeal

If any Bidder or prospective bidder is aggrieved that any decision, action or omission of the Procuring Entity is in contravention to the provisions of the Act or the Rules or the Guidelines issued there under, he may file an appeal to First Appellate Authority, as specified in the Bidding Document within a period of ten days from the date of such decision or action, omission, as the case may be clearly giving the specific ground or grounds on which he feels aggrieved:

Provided that after the declaration of a Bidder as successful the appeal may be filed only by a Bidder who has participated in the procurement proceedings:

Provided further that in case a Procuring Entity evaluates the technical bids before the opening of the financial Bids, an appeal related to the matter of Financial Bids may be filed only by a Bidder whose Technical Bid is found to be acceptable.

- ii) The officer to whom an appeal is filed under para (1) shall deal with the appeal as expeditiously as possible and shall endeavor to dispose it of within thirty days from the date of the appeal.
- iii) If the officer designated under para (1) fails to dispose of the appeal filed within the period specified in para (2) or if the Bidder or prospective bidder or the Procuring Entity is aggrieved by the order passed by the First Appellate Authority, the bidder or prospective bidder or the Procuring Entity, as the case may be, may file a second appeal to Second Appellate Authority specified in the Bidding Document in this behalf within fifteen days from the expiry of the period specified in para (2) or of the date of receipt of the order passed by the First Appellate Authority, as the case may be .

iv) Appeal not to lie in certain cases

No appeal shall lie against any decision of the Procuring Entity relating to the following matters, namely:-

- Determination of need of procurement;
- Provisions limiting participation of Bidders in the Bid process;
- The decision of whether or not to enter into negotiations ;
- Cancellation of a procurement process;
- Applicability of the provisions of confidentiality.

v) Form of Appeal

An appeal under para (1) or (3) above shall be in the annexed form along-with as many copies as there are respondents in the appeal;

Every appeal shall be accompanied by an order appealed against, if any, affidavit verifying the facts stated in the appeal and proof of payment of fee.

Every appeal may be presented to First Appellate Authority or Second Appellate Authority, as the case may be, in person or through registered post or authorized representative.

vi) Fee for filing appeal

- a) Fee for the first appeal shall be rupees two thousand five hundred and for second appeal shall be rupees ten thousand, which shall be non-refundable.
- b) The fee shall be paid in the form of bank demand draft or bankers' cheque of a Scheduled Bank in India payable in the name of Appellate Authority concerned.

vii) Procedure for disposal of appeal

- a) The First Appellate Authority or Second Appellate Authority, as the case may be, upon filing of appeal, shall issue notice accompanied by copy of appeal, affidavit and documents, if any, to the respondents and fix date of hearing.
- b) On the date fixed for hearing, the First Appellate Authority or Second Appellate Authority, as the case may be, shall –
 - (i) Hear all the parties to appeal present before him; and
 - (ii) Peruse or inspect documents, relevant records or copies thereof relating to the matter.
- c) After hearing the parties, perusal or inspection of documents and relevant records or copies thereof relating to the matter, the Appellate Authority concerned shall pass an order in writing and provide the copy of order to the parties to appeal free of cost.
- d) The order passed under sub-clause (c) above shall also be placed on the State Public Procurement Portal.

Annexure D: Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- ii) If there is an error in a total corresponding to the addition or subtraction of sub totals, the subtotals shall prevail and the total shall be corrected; and
- iii) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated bid does not accept the correction of errors, its bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit price or other terms and conditions of the bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity in the Bidding Document due to change in circumstances, the bidder shall not be entitled for any claim or compensation except otherwise provided in the conditions of contract.
- (iii) In case of procurement of goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of goods of the original contract and shall be within one month from the date of expiry of last supply. If the supplier fails to do so, Procuring Entity shall be free to arrange for the balance supply by limited bidding or otherwise and the extra cost incurred shall be recovered from the supplier.

**3. Dividing quantities among more than one bidder at the time of award
(In case of procurement of goods)**

As a general rule all the quantities of the subject matter of procurement shall be procured from the bidder, whose bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the bidder, whose bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the bidder, whose bid is accepted and the second lowest bidder or even more bidders in that order, in a fair, transparent and equitable manner at the rates of the bidder, whose bid is accepted.
