All such intermediate payment shall be regards as payments by way of advance against the final payment only and not as payments for work actually done and completed and shall not preclude the requiring of bad, unsound and imperfects or unskillful work to be removed and taken away and reconstructed or re-erected or be considered as an admission of the due performance of the contractor any part thereof in any respect of the accruing of any claim, not shall it conclude, determine, or effect in any way the powers of the Engineer-in-charge under these conditions or any of them as to the final settlement and adjustment of the account or otherwise the Engineer-in-charge's certificate of the measurements and of the total amount payable for the work accordingly shall be final and binding the contractor in all respect. The payment of final bill shall be made within 1 month of the submission of such bill. If there shall be any dispute about any items of work then the undisputed item or items only shall be paid within the period of 2 months. The contractor shall submit a list of the disputed items within 30 days from the disallowance waived and absolutely extinguished.

A bill shall be submitted by the contractor each month on or before the dated fixed by the Engineer-in-charge for all work executed in the previous month. The charges in the Bill shall always be entered at the rates specified in the tender or in the case of any extra work ordered in pursuance of these conditions and not mentioned or provided for in the tender, as the rates herein after provided for such works. The Engineer-in-charge shall take or cause to be taken the requisite measurements for the purpose of having the same verified and the claim, as for as admissible, adjusted if possible before the expiry of ten days from the presentation of the bill. If the contractor does not submit the bill within the time fixed as aforesaid, the Engineer-in-charge may depute a subordinate to measure up the said work in the presence of the contractor whose counter signature to the measurement list will be

sufficient warrant, and the Engineer-in-charge may prepare a bill from such list which shall be binding on the contractor in respect.

Before taking any measurement of any work as referred to in above, the Engineer-in-charge or a subordinate deputed by him shall give reasonable notice to the contractor. If the contractor fails to attend at the time of measurement after such notice or fails to countersign or to record the difference within a week from the date of measurement in the manner required by the Engineer-in-charge then in any such event the measurement taken by the Engineer-in-charge or by the subordinate deputed by him as the case may be shall be final and binding on the contractor and the contractor shall have no right to dispute the same.

8.0 Specification of Works

The contractor shall execute the whole and every part of the work in the most substantial and workman like manner, and both as regards materials and otherwise in every respect in strict accordance with the specifications. The contractor shall also confirm exactly, full and faithfully to the designs, drawings and instructions writing relating to the work assigned by the Engineer-in-charge and lodged in his office, and to which the contractor shall be entitled to have access at such office, or on site of the work for the purpose of inspection during office hours and the contractor shall, if he so requires, be entitled at his own expenses to make or cause to be made copies of specification, and of all such designs, drawings and instructions as aforesaid.

9.0 Addition, Alteration & Substitution of items

The Engineer-in-charge shall have powers to make alternation in or commissions from or additions to or substitutions for the original specifications, drawings, designs and instructions that may appear to him to be necessary or advisable during to progress of work and the contractor shall be bound to carry out the work in accordance with any instructions which may be given to him in written by the Engineer-in-charge and such alterations, commissions, additions or substitutions shall not invalidate the contract and any altered, additional or substituted work which the contractor may be directed to do in a manner above specified as part of the work shall be carried out by the contractor on the same conditions in all respects on which he had agreed to do the main work, provided that additional quantities of each individual item shall not exceed 50% of the quantities provided against that item in the contract agreement and further provided that the cost of the work as executed by the contractor including cost of all additional, altered or substituted work shall not without mutual agreement exceed the tendered amount of the work by more than 20%.

The time limit for completion of the work shall be extended in the proportion that the additional or substituted work bears to the original contract work and the certificate of the Engineer-in-charge shall be conclusive as to such proportion. The rates of such additional altered or substituted work under this clause shall be worked out in accordance with the following provisions: -

- (i) If the rates for the additional, altered or substituted work are specified in the contract for the work, the contractor is bound to carry out the additional, altered or substituted work at the same rates as are specified in the contract for the work.
- (ii) If the rates for the altered, additional or substituted works cannot be determined in the manner specified in clause above, then the rates for such work shall be worked out on the basis of the schedule of rates of the district specified above mines/pus the percentage which the total tendered amount bears to the estimated cost of the entire work put to tender provided always that if the rate for a particular part or parts of the items is not in the schedule of rates, the rate for such part or parts will be determined by the Engineer-in-charge on the basis of the prevailing market rates when the work was done.
- (iii) If the rates for the altered, additional or substituted work cannot be determined in the manner specified in clause above, then the contractor shall, within 7 days of the date of receipt of order to carry out the work, inform the Engineer-in-charge of the rate which is his intention to charge for such class of work, supported by analysis of the rate or rates claimed and the Engineer-in-charge shall determine the rate or rates on the basis of prevailing market rates, and pay the contractor accordingly. However, the Engineer-in-charge, by notice in writing, will be at liberty to cancel his order to carry out such class of work and arrange to carry it out in such manner as he may consider advisable. But under no circumstances the contractor shall suspend the work on the plea of non-settlement of rates of items falling under the clause.
- (iv) Provided that the Engineer-in-charge would also be at liberty to ask the contractor to execute such items, the rates of which are not provided in the B.S.R. of that area and also additional quantity over and above the limit of 50% against each item and 20% over the tendered amount of the work specified above, if in the opinion of the Engineer-in-charge the execution of such items through other agency is likely to hamper the progress of other items of work and its completion considerably required the contractor shall be bound to carry out all such extra work also if asked to do so. For all such extra items or additional quantity of work over and above the limit specified in para above, the contractor shall be paid provisionally on the rates of all such additional work and extra items if any shall be decided and settled by arbitration. Provided always that if the contractor shall commence work or incur any expenditure in regard thereof before getting written instructions from the Engineer-in-charge regarding all such additional works or extra items at his own accord as lastly here herein before mentioned then in such case he shall only be entitled to be paid in respect of the work carried out expenditure incurred by him prior to the date of issue of written instructions if any, as aforesaid according to such rate of rates as shall be fixed by the

Engineer-in-charge and shall have no claim for getting rates or such work settled through arbitration.

10.0 Curtailment of Scope

If the Engineer-in-charge shall at any time, and for any reason whatsoever think that any portion of the work should not be executed and could be withdrawn from the contractor, he shall give notice in writing of the fact to the contractor who shall have no claim to any payment of compensation whatsoever on account of any profit or advantage which he might have derived from the execution of the work in full, but which he did not derive in consequence of the full amount of the work not having been carried out, neither shall he have any claim for compensation by reason of any alterations having been made in the original specifications, drawings, designs and instructions which shall involve any curtailment of the work as originally contemplated.

Provided that the contractor shall be paid the charges on the cartages only of materials actually and bonafidely brought to the site of the work by the contractor and rendered, surplus as a result of the abandonment or curtailment of the work or any portion thereof and then taken back by the contractor, provided, however, that the Engineer-in-charge shall have in all such case the option of taking over all or any such materials at their purchase price or at local current rates which ever may be less. In the case of such stores having been issued from Company's stores supervision charges and storage charges shall be refunded in addition to the issue rate of materials.

All sums payable by way of compensation under any of these conditions shall be considered as reasonable compensation to be applied to the use by the company without reference to the actual loss or damage sustained and whether or not any damage shall have been sustained.

11.0 Rectification of Defect

If it shall appear to the Engineer-in-charge or his subordinate-in-charge of the work, that any work has been executed with unsound imperfect or unskillful workmanship, or with materials of any inferior description or that any materials or articles provided by him for the execution of the work are unsound or of a quality inferior to that contracted for, or otherwise not in accordance with contract, the contractor shall demand in writing which shall be made within six months of the completion of work from the Engineer-in-charge specifying the work, materials or articles complained on paid, for, forthwith rectify or remove and reconstruct the work so specified in whole in para, as the case may require or as the case may be remove that materials or articles so specified and provided other proper and suitable materials or article at his own charges and cost, and in the event of his failing to do so shall continue and in the case of any such failure the Engineer-in-charge may rectify or remove and re-execute the work or remove and replace with other materials or articles complained of as the case may be at the risk and expense in all respect of the contractor.

- (g) disclose conflict of interest, if any; and
- (h) disclose any previous transgressions with any Entity in India or any other country during the last three years or any debarment by any other procuring entity.

Conflict of Interest:

The Bidder participating in a bidding process must not have a Conflict of Interest.

A Conflict of Interest is considered to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations.

A Bidder may be considered to be in Conflict of Interest with one or more parties in a bidding process if, including but not limited to:

- a. have controlling partners/shareholders in common; or
- b. receive or have received any direct or indirect subsidy from any of them; or
- c. have the same legal representative for purposes of the Bid; or

- d. have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another bidder, or influence the decisions of the Procuring Entity regarding the bidding process; or
- e. the Bidder participates in more than one Bid in a bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which the Bidder is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder, in more than one Bid; or
- f. the Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Goods. Works or Services that are the subject of the Bid; or
- g. Bidder or any of its affiliates has been hired (or is proposed to be hired) by the Procuring Entity as engineer-in-charge/consultant for the contract.

If any Bidder or prospective bidder is aggrieved that any decision, action or omission of the Procuring Entity is in contravention to the provisions of the Act or the Rules or the Guidelines issued thereunder, he may file an appeal to First Appellate Authority, as specified in the Bidding Document within a period of ten days from the date of such decision or action, omission, as the case may be, clearly giving the specific ground or grounds on which he feels aggrieved:

Provided that after the declaration of a Bidder as successful the appeal may be filed only by a Bidder who has participated in procurement proceedings:

Provided further that in case a Procuring Entity evaluates the Technical Bids before the opening of the Financial Bids, an appeal related to the matter of Financial Bids may be filed only by a Bidder whose Technical Bid is found to be acceptable.

- (2) The officer to whom an appeal is filed under para (1) shall deal with the appeal as expeditiously as possible and shall endeavour to dispose it of within thirty days from the date of appeal.
- (3) If the officer designated under para (1) fails to dispose of the appeal filed within the period specified in para (2), or if the Bidder or prospective bidder or the Procuring Entity is aggrieved by the order passed by the First Appellate Authority, the Bidder or prospective bidder or the Procuring Entity, as the case may be, may file second appeal to Second Appellate Authority specified in the Bidding Document in this behalf within fifteen days from the expiry of the period specified in para (2) or of the date of receipt of the order passed by the First Appellate Authority, as the case may be.

(4) Appeal not to lie in certain cases

No appeal shall lie against any decision of the Procuring Entity relating to the following matters, namely:-

- (a) determination of need of procumbent;
- (b) provisions limiting participation of Bidders in the bid process;
- (c) the decision of whether or not to enter into negotiations;
- (d) cancellation of a procurement process;

- (e) applicability of the provisions of confidentiality.

(5) Form of Appeal

- (a) An appeal under para (1) or (3) above shall be in the annexed Form along with as many copies as there are respondents in the appeal.
- (b) Every appeal shall be accompanied by an order appealed against, if any, affidavit verifying the facts stated in the appeal and proof of payment of fee.
- (c) Every appeal may be presented to First Appellate Authority or Second Appellate Authority, as the case may be, in person or through registered post or authorized representative.

(6) Fee for filing appeal

- (a) Fee for first appeal shall be rupees two thousand five hundred and for second appeal shall be rupees ten thousand, which shall be non refundable.
- (b) The fee shall be paid in the form of bank demand draft or banker's cheque of Scheduled Bank in India payable in the name of Appellate Authority concerned.

(7) Procedure for disposal of appeal

- (a) The first Appellate Authority or Second Appellate Authority as the case may be, upon filing of appeal, shall issue notice accompanied by copy of appeal, affidavit and document, if any, to the respondents and fix date of hearing.
 - (i) On the date fixed for hearing, the First Appellate Authority or Second Appellate Authority, as the case may be, shall:-
 - (ii) hear all the parties to appeal present before him; and
 - (iii) peruse or inspect documents, relevant records or copies thereof relating to the matter.
- (b) After hearing the parties, perusal or inspection of documents and relevant records or copies thereof relating to the matter, the Appellate Authority concerned shall pass an order in writing and provide the copy of order to the parties to appeal free of cost.
- (c) The order passed under sub-clause(c) above shall also be placed on the State Public Procurement Portal.

Annexure-d: Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- (i) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- (ii) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- (iii) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.
- (iv) If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
